Assignment #3 – Supply List**DUE: Aug 12th, 2025 by 8:30am**

You will need a couple of things to ensure we start the school year off successfully.

Please bring the following:

- A composition notebook – lined or graph paper is fine, and you can use college-ruled or wide-ruled (it's up to you)
- A fully charged laptop (every day) – we will use our laptops for labs, notes, and online activities
- It is highly recommended that you have a graphing calculator. They will be provided for in class use when needed, but it would be great for you to have access to one outside of class as well.
