

Assignment #1 – Welcome!**DUE: ASAP :)**

You'll join a few applications for AP Physics C Summer Information to stay in the loop!

Please follow the instructions below:

- Log into Khan Academy using Clever – make sure your real name is visible for grading purposes
- Create an account or log in with an existing account
- Use this code to join the class: **K63H2PS9**. It's titled "AP Physics C Summer Prep"

Assignment #2 – Physics 1 Review**DUE: Aug 18th, 2025 by 8:30am**

You will do some work to review Physics 1 and Calculus content to prepare for Physics C content.

Please complete the following:

- Complete the assignments listed in the Khan Academy class that you joined in Assignment #1. If you don't see assignments by the end of June, please email me (Jonathan.Lowe@houstonisd.org). They may have to be individually assigned to you.
- This review will also include electricity so that you can preview it before we cover that content in class.

Assignment #3 – Supply List**DUE: Aug 12th, 2025 by 8:30am**

You will need a couple of things to ensure we start the school year off successfully.

Please bring the following:

- A composition notebook – lined or graph paper is fine, and you can use college-ruled or wide-ruled
 - o You can also continue to use your notebook from Physics 1
- A fully charged laptop (every day) – we will use our laptops for labs, notes, and online activities
- It is highly recommended that you have a graphing calculator. They will be provided for in class use when needed, but it would be great for you to have access to one outside of class as well.
