### High Schools – Waiver [\[VOTE\]](#)

Below is the only waiver we plan to apply for this year.

#### Alternate Start/End Times

The purpose of this waiver is to request alternate Start/Dismissal times for Stephen F. Austin High School. Our bell schedule is required to align with Institute of Higher Education (IHE partner), Houston Community College so our students may take advantage of college level courses during each class period. As a High School that offers our student the opportunity to take dual credit courses to earn an Associate of Arts degree from Houston Community College, it is imperative that our school hours align with the times that Houston Community College Classes are offered at the Southeast Campus - Felix Fraga location so that our students can take courses that count both toward their Associate Degree and their High School Diploma. Austin HS will begin at 7:50 and end at 3:30 each day. Metric for success will be percentage of students taking dual credit and college coursework and decrease in number of students taking courses at other HCC campuses.

**Vote-Unanimous in favor of the new time**

### **Staff Updates**

Please be advised 5 teachers have decided to not return due to unique circumstances. **Please do not share this information with students! Teachers** would like to for this information to come directly from teacher at a later time.

Next year, our freshmen will be the first group to join our new expanded sequence of CTE courses. We are adding a CTE teacher, please know CTE department is funding this position. Finally, if you know any great candidates for English I and II and Math, please encourage them to apply. We are opening 4 new positions that will need to be filled.
