➤ School Improvement Plan:

- Needs Assessment
- Student Achievement
- School Culture and Climate
- Staff
- Needs Data
- Key Actions
 - Leaders will grow staff capacity in NES instructional priorities (multiple response strategies and LSAE) to ensure students receive high-quality instruction.
 - Improve reading instruction by using a campus literacy plan driven by the Science of Reading.

Conservation: Build consciousness of our environment, focusing on the three R's: Reuse, Repurpose, Recycle.

Community: Build community engagement through schoolwide events such as Expos, Fairs, Beautification events.

Knowledge: Foster global learners who are able to successfully use technology to meet the needs of our dynamic world.

Citizenship: Create respectful, disciplined citizens who are advocates for the environment.
