

# Exercise #1 - Region Concept

Based on a region you choose (Mexican or any Central/Latin American region), please research and design this page with the variety of wardrobe, headpieces, accessories, and shoes used in this region. This can be done in the form of a drawing, picture collage, and can include text bubbles.

# Exercise #2 - Music Concept

Based on the same region you choose (Mexican or any Central/Latin American region), please research and design this page with the variety of music that is used in this region. Include the song title and music group name, the instruments used, and you can also include a Ballet Folklórico dance group that has performed this song before.

# Exercise #3 - Make-up and Hair Concept

Design the makeup and hair style for any performance. Below is a face template for you to express your creativity. You may use a variety of Folkloric performers make-up style in order to get inspiration.
