

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards and beyond. Teachers, students, and parents work together to develop this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents suggested ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the Compact and make changes based on student needs.
