3. Planning for 24-25

- Parent Involvement

- i. Puente asked for suggestions for how to increase parent engagement during the year.
 - ii. Nurse suggested asking more PTO members to participate in the after-school events
 - iii. Counselor Williams suggested including different grade level performances during each event in order to encourage parents to come out and participate in events
 - iv. Parent representative said that at her daughter's campus the PTO is required to attend/plan a set number of events each year. PTO also hands out flyers during car rider dismissal. Get businesses to allow us to get a percentage of proceeds on certain nights.

- Safety

- i. Puente asked if anyone had any questions about safety.
 - ii. Ms. Caltzonzintl asked for a fence around the big playground
 - iii. Nurse stated she has asked for a fence but has not received any response. Nurse suggested a petition. She stated she has submitted pictures to show that the playground is open, and it leaves us vulnerable.
 - iv. Nurse doesn't want students to go outside for recess after a rain day-even if the sun is out.

- v. Nurse also wants to have time to meet with parents to discuss when parents should keep their children home following an illness.
- vi. Nurse indicated students are going to her with headaches and stomach aches because they don't like the food being served and refuse to eat. Nurse wants a lunch calendar to go home so that parents can send their children with food on days when something is being served that their child won't eat.
- vii. Nurse indicated she needs money to purchase new equipment.
- viii. Nurse stated we need flashlights and batteries for classrooms in case of power outages.
- ix. Nurse wants to make sure students have documentation on file for Summer School.

- **School Branding**

- i. Trying to increase enrollment
 - 1. Going to Farias to recruit students
 - 2. District has also launched an incentive to try and recapture students who are moving to surrounding charter schools.
- ii. Puente asked, "what are we doing that is good that can help us promote our school so that parents will want to send their students here?"
 - 1. Ms. Caltzonzintl mentioned, as a parent she thinks the early and late time are a positive for working parents.
 - 2. Nurse stated parents do not like the staggered dismissal times.
 - 3. Puente stated we will only have two dismissal times next year (3:00 and 4:00).
 - 4. Nurse wants someone to direct traffic in the afternoons during dismissal.
 - 5. Counselor Williams mentioned Dyad being an incentive for parents to send their children to Durkee.
