Socioeconomic Information Reports

Percentage Completed Reports – Distribution Continues This Month

Beginning on Friday, September 16 and continuing through this month, campus principals are receiving weekly Economic Disadvantage Percentage reports indicating the Economic Disadvantage coding percentage completed on their campus.

The last few reports will be sent October 24th, 26th and 28th.

Make sure you are collecting SIFs and that you complete the coding.

Deadline for socioeconomic coding completion is **October 28, 2022**, but we recommend that you aim for **October 21, 2022**.

The collection of socioeconomic data is critical to ensure that schools can receive Title I and State Compensatory Education funding..

HOUSTON INDEPENDENT SCHOOL DISTRICT

SOCIOECONOMIC INFORMATION FORM

Complete and return one form to each school where you have a child enrolled. Print using a pen.

"CONFIDENTIAL" - For HISD purposes only

Houston ISD is required to collect the socioeconomic status of each student as a performance indicator for student achievement (TEC § 39 for Texas state requirements and ESSA §§ 1111 and 1116 for U.S. Department of Education requirements) and for use in disbursement of federal funds (ESEA § 1113). This information is not shared with outside agencies.

It is very important that families complete this socioeconomic form in order for schools to receive Title I and State Compensatory Education funding. This funding will directly benefit your child's school. Title I and State Compensatory Education funding can be used to hire personnel, provide tutoring services, order technology, and provide professional development for teachers. We want to continue to provide these necessary learning supports, but without your assistance we may not be able to.

Campus ECO Code _____

STEP 1 (List all Houston ISD students in the household)

Do you receive Supplemental Nutrition Assistance (SNAP)? ☐ YES ☐ NO

Do you receive Temporary Assistance to Needy Families (TANF)? ☐ YES ☐ NO

If you answered YES on either of the above, skip Step 3 and continue to Step 4.
If you answered NO on both of the above, you must complete Steps 3 and 4.

STEP 3 (Complete only if all answers in Step 2 are NO)

How many total members are in the household (include all adults and children)? _____

TOTAL YEARLY INCOME BEFORE DEDUCTIONS OF ALL HOUSEHOLD MEMBERS

Include wages, salary, welfare payments, child support, alimony, pensions, Social Security, worker's compensation, unemployment, and all other sources of income (before any type of deductions)

STEP 4 (Check one of the following two boxes as appropriate and sign below.)

In accordance with the provisions of the Protection of Pupil Rights Amendment (PPRA) no student shall be required, as part of any program funded in whole or in part by the U.S. Department of Education, to submit to a survey, analysis, or evaluation that reveals information concerning income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program), without the prior written consent of the adult student, parent, or legal guardian.

☐ I certify that all the information on this form is true. I understand the school will receive federal funds and will be rated for accountability based on the information I provide.

☐ I choose not to provide this information. I understand that the school's disbursement of federal funds and accountability rating may be affected by my choice.

ESSA Consolidated Grant Application – New Requests (2022-2023)

Capital Outlay –

All capital outlay and campus library books require specific TEA approval prior to purchase regardless of the dollar amount. Capital outlay includes items that have a useful life of one or more years and are of a tangible, non-expendable nature.

Capital outlay also includes lower-cost technology such as electronic notebooks and tablets, graphic calculators, erasers, scanners, digital cameras, and electronic dictionaries, etc.

The final day for campuses to request capital outlay is Friday, December 9, 2022.

For a list of generic capital outlay requests ideas, [Click Here](#).

IMPORTANT: Capital outlay may not be purchased until the district receives the Notice of Grant Award (NOGA) from TEA. External Funding notifies schools of TEA approved capital outlay requests by email. Contact your School Grants Administrator in External Funding to assist with any questions.

Forms for Requesting Capital Outlay

To request capital outlay, two forms must be submitted to External Funding at ext.funding@houstonisd.org:

- [Capital Outlay List Form](#), and
- [Use of Funds – Guidance Document](#), and
- [Use of Funds Questions](#) (A separate Use of Funds form is required for each capital outlay item requested.)

Out-of-State Travel and Out-of-State Virtual PD (February 1, 2023 — June 30, 2023)

Out-of-state travel and out-of-state virtual PD costs are allowable and always require specific TEA approval. Additionally, out-of-state travel is not allowed where the same type and quality of training is available in-state. Each out-of-state travel and out-of-state/ virtual PD request requires a written justification form which must be approved by TEA prior to the trip.

[Click Here](#) to access the form to request out-of-state travel/virtual PD.

Actual out-of-state travel request and out-of-state/virtual PD should be requested *3 to 4 months* in advance of the travel or PD.

NOTE: Effective July 1, 2021, the district has lifted the out-of-state travel ban. For campuses with travel requests in the June ESSA Application, that out-of-state travel is allowable and is a campus-based decision -- once the district receives the Notice of Grant Award (NOGA). Campuses should check with their School Office or their SSO as to whether out-of-state travel is allowable for campuses, based on current levels of COVID-19 cases around the country.

Out-of-State - Virtual PD

HISD allows the use of TIA funds for virtual out-of-state PD. All campuses must follow the previous guidance for having out-of-state travel approved and adhere to the limit of 5 attendees. TEA's guidance specifies that districts should be using the train-the-trainer model for PDs.
