

Joining a Microsoft Teams Live Event

The Houston Independent School District uses Microsoft Teams Live Events to broadcast video and meeting content to a large online audience. These events can be accessed online from a compatible browser or from the Microsoft Teams application. Public events will allow you to join anonymously without requiring an HISD login.

Get Started

1 CLICK THE LINK TO JOIN FROM THE WEB

Once you click the link to join a live event a new browser tab should open asking you to join the event from either the app or the web. Click “Watch on the Web”.

2 SIGN IN OR JOIN ANONYMOUSLY

If you have an HISD account please click on “Sign in”. Parents, guardians, and community members can join by clicking “Join anonymously”.
