Campus Planning and Site-Based Decision-Making.] The areas that require involvement of the SDMC are:

- Implementing all pertinent campus-level planning processes;
- Developing recommendations for the school budget;
- Submitting recommendations for the school curriculum;
- Recommending changes in the school's staffing patterns;
- Developing and approving the campus staff development plans;
- Developing, reviewing, and revising the School Improvement Plan (SIP) for the purpose of improving student performance for all student populations. After the principal approves the SIP, the SDMC will present the plan to the school-based professional staff for a vote of approval. [See BQB1(REGULATION)]
- Reviewing and making recommendations regarding the school's organizational structure; and
- Establishing procedures to periodically obtain broad based community, parent, and staff input

Select Co-Chair

This person is selected from School Based Professional. We have one member who meets this criterion. Ms. Orozco nominated Mr. Estrada. Ms. Barrientos seconded the nomination. A unanimous vote in favor of naming Mr. Estrada as Co-Chairperson of SDMC.

State of Schools Presentation

- We reviewed HISD's Research and Development Department TEA Accountability Rating Projection. We also discussed the difference between the School Improvement Plan and the Action Plan. Each member received a copy of our current Action Plan. Our Executive Director will share a final scoring on degree of difficulty of action plan for our review very soon.
- Action Plan- Three degrees non-rigorous, Average or Rigorous. Taken into account is the degree of implementing of the 6 important indicators of success.
- Student Supports
