Get Students Reading

01

Student reading abilities have suffered to covid. Our library services aims to help close the reading gap that students have and get them on level or above reading level.

Help the Community

02

We don't want the services limited just to our students. We want them to be accessible by the community also.

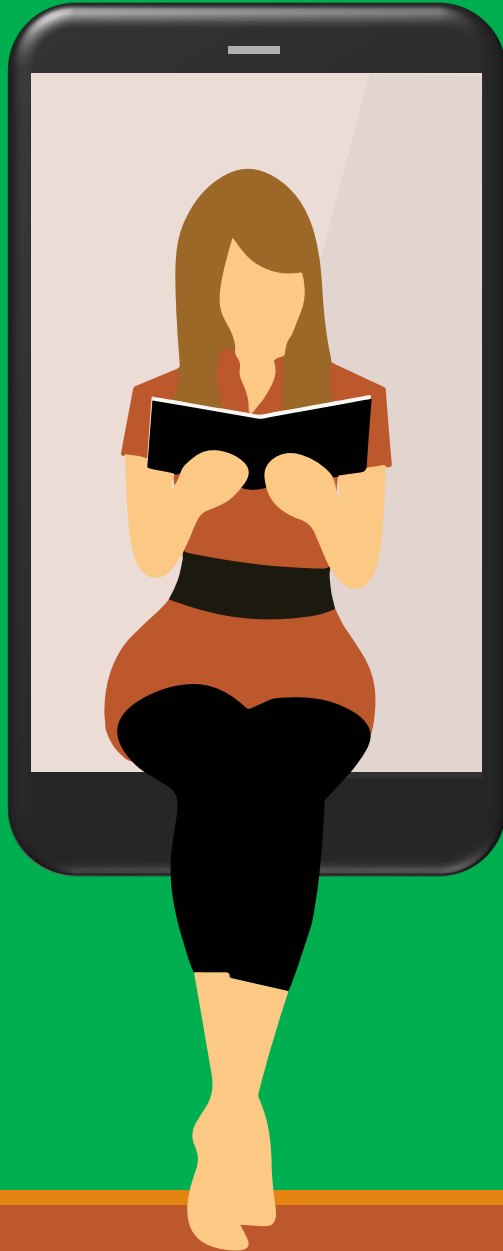

Provide Programing

03

We want to provide programing that enhances the learning, reading, and abilities of students and parents alike.

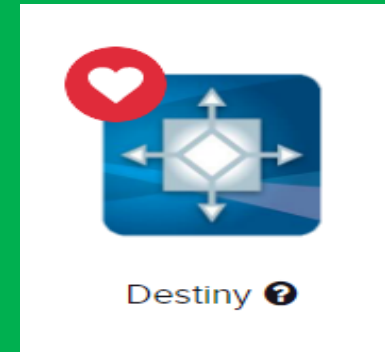

Important Apps In Clever

Students will be using clever and inside there is an area called Library References and important to the learning of your child.

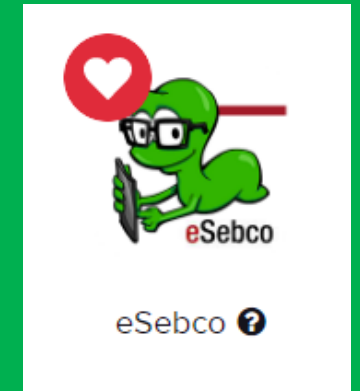

MackinVIA

Similar to Destiny student can find E-books to check out and read.

Destiny App

The Destiny app is your child's one stop shop for the school library. Students can check out e-books and audio books. They can also hold books the Library.

eSebco
