SDMC Notes 10-21-24

Campus Safety

Every month we hold fire drills. We also have lockdown drill, and we will have the next lockdown this month. Teams will collaborate to get ready for the lockdown drill. The next two fire drills this month will be obstructed. Each week we have door sweeps to ensure all doors are secure. The community has provided a safe haven area for the campus to go to in the event of emergencies and we will practice going there next semester.

All employees must now scan their badges when entering the building.

Voting Updates

Voting will be held on the Milne campus on voting day 11/5/24 all day. On voting day, we will not have P.E. so we will need to monitor the kids during transitions in the hallway at all times.

Culture, Parent, Student Events

We will have a "Fall Night" that will be geared toward math and literacy where food and books will be provided for students. All presenters will be bilingual. Another will be held on Dec. 3rd for math and science.
