## Principal's Corner

Last night I had the opportunity to sit back and watch our team at work as they educated 9<sup>th</sup> grade parents about the IB Programmes at Lamar. It is always a source of pride for me to get to watch our team engage with parents and students to design learning pathways that work for kids. We will be posting the slide show on the Lamar website next week.

The next few days will bring heavy traffic to the Lamar area as we host a swim tournament today and tomorrow, and a debate tournament on campus Friday and Saturday. Please bring a little extra patience at dismissal time today and tomorrow.

### Congratulations Coach Rogers!

Coach Cravon Rogers was recently selected for the Texas HS Coaches Association “Rock” mentor program. The THSCA has implemented a mentorship program called The R.O.C.K. Coaches Mentoring Program (Rare, Outstanding, Compelled and Knowledgeable) — powered by THSCEF & TAMU. This mentorship program is designed to connect with a younger generation of coaches. The R.O.C.K. Coaches Mentoring Program will match a coach that is new to the profession (the mentee) with a veteran coach (the mentor) to gain advice, encouragement, and insights into their career aspirations and to help them grow in their desired coaching fields.

YOUR IMPACT

THANKS TO YOUR SUPPORT, GIRLS AT LAMAR HIGH SCHOOL ARE BEING EQUIPPED WITH LIFE-LONG MONEY MANAGEMENT TOOLS.

74 %

INCREASE IN FINANCIAL & INVESTMENT LITERACY AMONG STUDENTS

Why is that increase so important? Low literacy rates dramatically impact the lives of women over their entire lifetimes. Not having the tools to navigate money in all its forms means that women settle for earning less, take less investment risk, take on more debt, and take more time to pay off debts. **Girls enrolled in RTSWS are more confident and envision a career in finance.**

100%

THOUGHT YOUR VOLUNTEERS WERE AWESOME INSTRUCTORS!

Students thought your volunteers related course topics to **real life experiences** or **current events** extremely or moderately well.

THANK YOU FOR MAKING A DIFFERENCE IN YOUR COMMUNITY!

## IB Annual Fee 2022-2023 Due November 1, 2022

All 11<sup>th</sup> and 12<sup>th</sup> graders taking one or more IB classes are required to pay an annual \$90 IB fee.

11<sup>th</sup> and 12<sup>th</sup> grade IB course names end in SL and HL. If you see SL or HL on your child's schedule, your child is in an IB course. This fee supports IB materials, digital resources, and teacher trainings for our IB programs. The actual fee that HISD pays to the IB is \$119 per course. When a student tests in five IB courses, HISD pays the IB \$595. The annual fee of \$90 is past due. Students who are identified as economically disadvantaged may pay \$30. You can make your annual payment through School Pay or in person at the Lamar business office. Students who do not pay their annual IB fee will not be able to complete senior check-out in May. Contact Dr. Acord if you have questions. [suzanne.acord@houstonisd.org](mailto:suzanne.acord@houstonisd.org)

## IB Missed Exam Fee

11<sup>th</sup> and 12<sup>th</sup> grade students in IB courses participate in numerous IB assessments. These IB course names end in SL and HL. Success on these assessments can potentially earn a student extensive college credit. HISD pays the IB \$119 per course exam. When a student tests in five IB courses, HISD pays the IB \$595. Missing one IB course assessment prevents the student from earning IB credit. We do not receive a refund from the IB when a student misses an IB assessment. Students who do not submit and/or attend their IB assessments may be required to pay a \$25 non-use fee for each exam missed. This fee will need to be paid to complete senior check-out. If a family emergency or illness arises, parents must contact Dr. Acord prior to the exam. [suzanne.acord@houstonisd.org](mailto:suzanne.acord@houstonisd.org)
