Principal's Corner

Did You Know?

The Lamar High School Alumni Association (LHSAA) has played a vital role in supporting current students and keeping our alumni connected. The LHSAA was established as a non-profit in 1998 by Fran Callahan, after serving as a PTO President when her children attended Lamar. Her unwavering dedication and leadership have been instrumental in championing the LHSAA. Fran's tireless efforts have strengthened our alumni community, supported countless students, and set a standard of excellence and commitment that inspires us all. From the Hope Scholarship program, which has helped over 110 Lamar graduates pursue their dreams, to the Ned S. Holmes Performance Center for Fine Arts Programs, to the Football Field Turf with Field Lights, and the support for robotics, computer science, culinary arts, veterinary technology, horticulture, fine arts programs, and field trips – the list of her accomplishments and impacts are endless. Mrs. Callahan has decided to retire this month and know she will be missed. Her legacy of service is woven into every success story and milestone the LHSAA has achieved. Thank you, Fran Callahan!

Football

The Texas High School Coaches Association is proud to recognize the 2024-2025 Academic All-State Recipients. We had 8 players recognized! When reviewing the nominations, the THSCA considers each students' GPA, class rank, SAT and/or ACT score. The students receive points based on each criteria. The total number of points they receive determines which team they are placed on. The best team a player can make is the Elite Team which requires a near perfect score in all categories. **Cole Mansour** is on the prestigious Elite Academic All State Team.

Congratulations to all!
