Principal's Corner

We are thrilled to share that Loving Lamar and The Menninger Clinic will be working alongside us over the next 4 years to provide support for Lamar students. Parents are invited to our first in a series of parent education events on Tuesday, February 11, 2025, at 6:00 p.m. in the Grand Hall. Kate Lykes, Director of Community Collaborations and Hayley Citro, LPC, LCDC, both from The Menninger Clinic, will join us to provide an overview of the global assessment program that we will be offering to students in the fall. On Monday we will provide a reminder and a link for those who would like to join on Teams.

The Young Summer Math Days is a fun and educational program for all high school students entering grades 10-11 in the Fall of 2025. The idea is to introduce the students to a variety of interesting topics in mathematics, like mathematics in art, mathematics in car racing, mathematical modeling in biology, mathematical analysis, parallel computing, toys and mathematics etc. A number of dedicated faculty and graduate students in the departments of Computational Applied Mathematics and Operations Research have enthusiastically agreed to give lectures and hands-on workshops on these and other topics. The program is free but students have to apply to be enrolled in the program. The application is available on the website and [here](#).

SPRING 2025 Final Exam Exemptions

Final-ly!
Students in grades 9-11 will be able to earn exemptions from final exams – High School Course exemptions or College-level Course exemptions.

Final Exam Exemptions – All High School Courses

To incentivize the daily attendance rate, eligible grade 9 students may be allowed one spring final exam exemption; two spring final exam exemptions may be allowed for eligible 10th and 11th graders. Eligible students are those with:

- no more than three (3) absences in any one course for the duration of the semester;
- an S or E in conduct; and
- must have an 85 or higher semester average in the specific course(s) where the final exam exemption is applied.

Final Exam Exemptions for College-Level Courses

Schools may, under the following conditions, exempt students in grades 9 -12 from a final exam in college-level courses, defined as IB SL or HL or Advanced Placement (AP):

- if the student takes the AP or IB exam for the assigned course;
- an S or E in conduct; and
- a course average of 85 or better in the specific course(s) where the final exam exemption is applied.

11th and 12th grade students in IB courses must submit all IB assessments, sit for IB exams in May, and participate in all oral assessments. To be exempt from finals in 11th and 12th grade IB courses, students must also have all IB assessments complete.

9th Grade Students and Parents

Students interested in participating in the IB Diploma Program or IB Math classes in 11th and 12th grades – this message is for YOU!

- In order to take the IB Math classes in 11th and 12th grades, students must have completed Algebra 1, Geometry, and Algebra 2 before 11th grade.
- Students currently in Algebra 1 as 9th graders have the opportunity to take Geometry at Lamar HS in summer school, with a grade review and approval by their Academic Dean.
- There is a fee for the summer school class, which will be determined by the district late in the Spring semester.
- The *tentative* districts dates for summer school are June 16-July 23, Monday -Friday, so please plan to be in town for those dates! Students are usually only allowed one absence during summer school.

Questions? Contact the 9th Grade Academic Deans listed below:

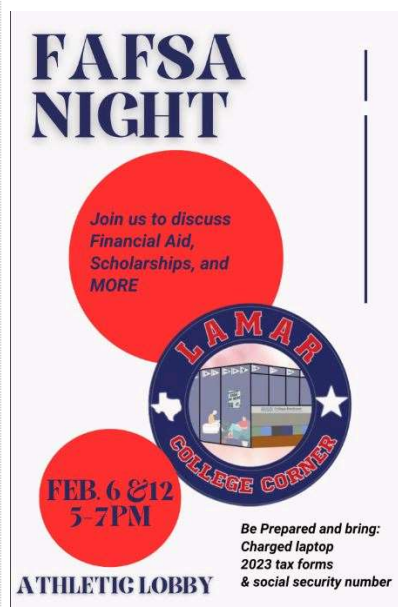

9A and 9B: Ms. Lawrence dlawren1@houstonisd.org

9C and 9D: Dr. Khatri safiakhatri@houstonisd.org

Personal Graduation Plan

All students in Texas Public Schools must have a Personal Graduation Plan (PGP) on file as a graduation requirement. This document is initiated in grade 9 and is used for course planning. All students have updated their student survey this fall. You should receive a district generated email when your student’s PGP has been approved. Please follow the attached directions to acknowledge this document. You may have done this in the past; however, HISD has put the form in School Links this year.

Here are the instructions we received from the district for guardians to approve the PGPs:

This step-by-step guide will walk guardians through the process of reviewing and approving their student's personalized plan. [Watch a video tutorial here!](#)

To get started, log into your SchoolLinks guardian account

- 1 Click on the My Students tab at the top of the guardian dashboard and select your student from the list

- 2 Click to expand the Casefile section drop-down menu
