All 11th graders are required to take the SAT, even if they do not want to use their scores post-high school. It is important that all students are on time as no late students will be able to test. The SAT is a digital test using the Bluebook app on the students' HISD laptop. For more information and SAT practice information, please visit the [College Board website](https://collegeboard.org). Sommer Flowers- National Ag Day

Welcome **Sommer Flowers** our new Ag teacher!

"This National Ag Day, I'm excited to celebrate by doing what I love—teaching the next generation about agriculture! I'll be engaging students in Animal Science and Veterinary Medicine Applications, helping them deepen their understanding of animal care and the industry's impact. When I'm not in the classroom, I'll be working on our school's Show Book, a special project that highlights the hard work and dedication of our FFA students in their animal and horticulture projects.

We're also gearing up for our School Show, which will take place the first week of April on the front lawn of Lamar High School! I can't wait to showcase our students' passion and commitment to agriculture—hope to see you there!"

Writing Lab Peer Consultants Presenting at National Conference

Seniors in the Writing Lab class will present FIVE panels virtually at the Secondary School Writing Centers Association (SSWCA) conference for a national audience of writing center consultants and tutors on March 21st and 22nd! The theme for the 2025 conference is "Views from the Trails."
