Testing Updates

11th grade SAT

All current Lamar 11th graders are registered to take the SAT, for free, next **Wednesday, April 2, 2025**. Testing will begin at 8:30 AM and complete about 12:00 PM. All 11th graders are required to take the SAT, even if they do not want to use their scores post-high school. It is important that all students are on time as no late students can be admitted into the testing room. The SAT is a digital test using the Bluebook app on the students' HISD Chromebook. For more information and SAT practice information, please visit the [College Board website](https://collegeboard.org). Scores will be available through the students' College Board accounts about May 1st.

STAAR EOC Exams – Save the Dates

STAAR EOC exams will be administered on the dates listed below. All students are required to take and pass the five STAAR End of Course (EOC) exams before graduating. All STAAR exams are administered through the online testing platform and students will test using their HISD issued Chromebook. If your child's Chromebook or charger is missing or broken, it is critical that they go to the Lamar IT Office (N215) immediately.

Practice Online STAAR EOC exams can be viewed [here](#). All STAAR EOC tests will begin at 8:30 AM. Rosters will be posted in the hallway telling students where to report for testing. The STAAR test is not timed, so students have until the end of the school day to finish their test, if needed. All students not testing will follow a regular bell schedule.

All students in Texas Public Schools must have a Personal Graduation Plan (PGP) on file as a graduation requirement. This document is initiated in grade 9 and is used for course planning. All students have updated their student survey this fall. You should receive a district generated email when your student's PGP has been approved. Please follow the attached directions to acknowledge this document. You may have done this in the past; however, HISD has put the form in School Links this year. Here are the instructions we received from the district for guardians to approve the PGPs:

How to Review & Approve Student Personalized Plan (guardian guide)

This step-by-step guide will walk guardians through the process of reviewing and approving their student's personalized plan. [Watch a video tutorial here!](#)

To get started, log into your SchoolLinks guardian account

- Click on the My Students tab at the top of the guardian dashboard and select your student from the list
- Click to expand the Caselle section drop-down menu
- Select Personalized Plans

- View the following:
 - Student submission date
 - Guardian approval date
 - Counselor approval status
- Click Review Plan to view plan details
