Principal's Corner

The 11th and 12th graders taking Arabic, French, Mandarin, or Spanish classes with SL2 or HL2 in the course name, will begin taking required IB oral assessments on Feb. 21st. Teachers have shared test times with all students. Students must arrive on time to the 4th floor landing. Students may be able to reschedule with their teacher if they have an excused absence from school. Students should inform teachers now if they know they will not be at school on their assigned oral assessment day. Please contact your child's language teacher if you have questions.

ADVANCED ACADEMICS. ACCELERATING FUTURE.

IB Annual Fee 2022-2023 Are Past Due

All 11th and 12th graders taking one or more IB classes are required to pay an annual \$90 IB fee.

11th and 12th grade IB course names end in SL and HL. If you see SL or HL on your child's schedule, your child is in an IB course.

This fee supports:

IB tests, IB materials, digital resources, and teacher trainings for our IB programs and if earned the graduation stole.

UHD

The UHD Scholars Academy

The UHD Scholars Academy (SA) is an academically competitive program in the College of Science and Technology (CST). It provides scholarship and student success for UHD undergraduate students majoring in Science, Technology, Engineering and Mathematics (STEM). A core part of our mission is to increase the number of academically capable students graduating with degrees in the STEM fields, and to increase the number of those choosing to further pursue graduate and professional degrees. This competitive program is made possible by The Brown Foundation, Inc., National Institutes of Health, National Science Foundation, U.S. Army Research Office, U.S. Department of Education, Welch Foundation, U.S. Nuclear Regulatory Commission, UHD Alumni, and Wagner Power.
