## Parent/Family Engagement Policy

### 2023-2024

#### **PARENT ENGAGEMENT**

Patterson holds two Annual Title I Meetings (Fall and Spring) each school year during which we review with the parents Title I School requirements, Parent/Family Engagement Policy, Compact, School. Additionally, we hold two regular parent meetings in which the principal updates parents on school test data, adequate yearly progress status, and facilitates a review of the School's Improvement Plan. Parents exercise their rights of being involved by attending and participating in the school's decisions. We are flexible scheduling the meetings.

At the Open House, parents are provided the opportunity to formally visit their child's classroom to become better informed about grade level expectations and their student's academic progress. Parents will also be invited to participate in the parent-teacher conference at least twice a year to discuss their child's progress.

Patterson annually invites parents to participate in review and revision meetings and are encouraged to examine and discuss our School improvement Plan, the School Compact and the Parent/Family Engagement Policy.

#### **PTO**

An organized PTO has been established in our school to create a forum for parental input and involvement. Our PTO affiliation connects our school to parental involvement resources.

Patterson communicates regularly with parents regarding state's curricular and assessment expectations, school wide requirements in relation to the delivery of instruction, the techniques utilized to evaluate student work, and individual classroom routines pertinent to the academic success of our students. We also encourage parents to volunteer, observe and be active participants in their child's education.

To communicate effectively with parents, Patterson uses variety of communicative techniques to encourage parent participation and deliver important information in hopes for creating productive dialogue between home and school concerning improved student achievement:
