Ms. McKinnies explained we will be hearing about and discussing the results from our last meeting of the New Teacher Excellence System, which is the district proposed Teacher Evaluation System that will be voted on by the board to be implemented in 2025-2026 school year.

We watched the video presentation that highlighted the five frameworks that were voted on. Video also explained the differences of what we currently use and what the proposal system will have.

The Distinguished Teacher information was shared as well to explain the criteria and qualifications for teachers.

We also discussed PK enrollment information. The committee shared ideas of how to advertise for our campus, such as create flyers or brochures to share with parents. Also, a possible PK evening after school that will allow parents to get a preview of our campus and what students learn in PK.
