

SDMC 4/7/2022

Restroom System – students are being scanned in and out of the restroom

Teacher feedback

Ms. Alaniz didn't know that there was a new process, they are taking a longer time.

Ms. Rocha – sees the same kids out in the hall. Some students are taking advantage of the time it takes.

Ms. Soto – kids are wasting time and taking advantage

SOLUTION: Keep scanning but time stamp their restroom pass too so teachers can see how long it takes

MOCK STAAR – Any issues during testing please let Admin know so they can fix it

Privacy boards for exam?

Will take inventory

Problem: A lot of teachers were not following testing protocols

Solution: Have Testing meeting and student assembly

Others: Ms. Alaniz likes having the students leave out the nearest exit after school

- Concern: The unmonitored hallway is concerning
- Solution: Will look at where we can make changes

Concern: Students who are rushing out the door, possibly hurting teachers

Solution: McCloskey will talk to Mr Johnson about the situation

Solution: PEOPLE ARE NOT WHERE THEY ARE SUPPOSE TO BE FOR DUTY
