Topic (include time allotted)	Notes/Next Steps
Re-Opening 2020	<p>345 students returned face to face. Overall feeling about re-opening is that it has been busy, but wonderful. Students are engaged in learning and happy to be back on campus.</p> <p>Campus is continuing to monitor and adjust systems – especially drop-off and dismissal.</p>
Budget and Enrollment	<p>Enrollment is down approximately 100 students from 2019-2020. Budget implications are approximately \$450,000 for the current year. Campus will be using Title 1 funds to fund 4 classroom teachers for the 2020-21 school year. Ms. Brown asked for an explanation of Title 1 vs. GF1 usage.</p>
Additional Concerns	None at this time.
	Meeting adjourned at 2:44 pm.
