SDMC Minutes
February 22, 2024

MAP Data
- Growth vs. Achievement
  - As a campus, our achievement was high but there are areas/grade levels where growth needs to be addressed.

Arabic Curriculum Updates
- LOTE
  - Revisiting our Arabic curriculum to ensure it aligns with the LOTE criteria
- PK Early Literacy Program
  - PK Arabic literacy program would not cost the campus money since it is part of a research project (if approved)
  - If approved by the district, the students' usage and data would be use for research purposes
- Global Seal of Biliteracy

Cultural Sensitivity/Inclusive Environment
- Instances of students using inappropriate/bigoted language in multiple grade levels
- Parents brought up concerns about political conversations being brought up in classes as well and that those conversations should also be addressed
- Admin are addressing the concerns with 3+ but messaging should also be sent to parents as well

STAAR/MAP Parent Sessions (time permitting)
- Based on feedback we received from the Kanafe with the Principal meeting, we are coordinating STAAR info sessions for parents March 6 - 7
