### **Welcome:**

Mrs. Frodine welcomed all members and called the meeting to order at 3:15pm.

### **Old Business:**

Minutes from last meeting were read and approved.

### **New Business:**

- Budget: Our enrollment went up, therefore we got more money from HISD. Part of this money is for new furniture to accommodate more students. We are understaffed, therefore there won't be any cuts for Parker.
- Enrollment: We are about to hit 900 students! About 65% of our students are zoned, the rest are Magnier students. Most of Kinder through second grade are at 25 students per class. Varnett Charter School has about 50 kids that are zoned to Parker, these kids might come over to Parker.
- Grand Opening: Our Grand Opening is Thursday, February 28, 2019 at 5pm. Invites have gone out to our community, RSVP's to [RGibson@houstonisd.org](mailto:RGibson@houstonisd.org).
- MTADS SURVEY: New appraisal system. It consists of having two classroom visits by appraiser. One thirty-minute observation and one-ten minute walk through. Its requirements are: three years of teaching experience and one whole year with HISD, overall grade must be effective or highly effective, must have nothing but all 3's and 4's and must have no PPA's. Voted on MTADS.
