Meeting

The meeting started around 1:10 p.m. The agenda was discussed and followed accordingly. Mr. Woods introduced the new principal, Mrs. Williams, to the SDMC and welcome her to Burrus.

Following the introduction, Mr. Woods thanked all the faculty, staff, community, and civic leaders for their support over the past twenty (20) years, while principal at Burrus Elementary.

Mr. Woods asked the members to expound on the glows and grows during this pandemic year. Many of the faculty and community members spoke on the academic successes and challenges throughout the meeting. All the agenda items for glows and grows were addressed: Snapshots, DLA, Renaissance, HFW, STAAR preparation , Running Records, Special Ed as well as the grows for the next steps were focused on by the following campus team members; Mrs. Madison, Early Learning, Mrs. White, first and Second Grade Chairperson, Mrs. Gnagbe, Third Grade Chairperson, Mr. Clemons, Math and Science Chairperson.

Reading and Writing components were addressed by Mr. Woods since there was no representation available. Mrs. Brewer, Burrus Instructional Coordinator, addressed the area of summer school to the committee .

Professional Development was addressed by Mr. Woods, which was scheduled for Friday, May 28, 2021. All future Professional Development would be addressed by Mrs. Williams as she takes the helm. The budget item was not addressed since this would be a discussion for Mrs. Williams as the new principal.

Finally, community members had a chance to welcome Mrs. Williams and stated that she had their full support as Mrs. Williams said that she would embrace players in the school and community.

Mr. Woods gave his final goodbye and wished the new administration all the success in the world. Our meeting ended and the new principal Mrs. Williams will be setting the next agenda meeting.
