# CVHS SDMC Meeting Minutes

VOL. 21, ISSUE III

MARCH 28, 2023

## Topics Covered:

The meeting commenced at 8:07 AM with a review of the overview and purpose of the SDMC as well as the role of the committee and committee members.

Our school **budget** is today's main objective. The March 22, 2023 **budget goals meeting** focused on salaries split between two funds (ie: title 1, general, ESSER, etc). CVHS does not typically use Title 1 or ESSER to fund a position. The April 6, 2023 budget meeting will include specific details on funding for staffing, and other responsibilities will be discussed. No major changes are expected for staffing except the possible addition of a Customer Service Rep (CSR) to assist Computer Instructional Technologist (CIT) Jose Ceja as well as other responsibilities including data analysis for student intervention programs, growth plans, and monitor of student progress in credit recovery / APEX / online programs to ensure pacing is appropriate and deadlines are met.

CVHS has been creative with employee assignments to offices and classrooms. Previously, a faculty common space was repurposed, and the gymnasium is also used as classroom space. Although the physical footprint of CVHS remains the same, we are only allotted five custodians with a larger student population. CVHS is awaiting the assignment of the fifth custodian.

*Just a sample of our amazing  
PTO volunteers!*

*Congratulations to Rachel Bohenick,  
CVHS 2023 Teacher of the Year!*

*CVHS team advances to **World Quest**  
finals in Washington, DC!  
Congratulations Rhinos!*

Our next meeting in May will include greater detailed information on our school budget.

Reminder: Please complete the **SDMC member survey** delivered to individual email addresses.

### Future Meetings

Meeting adjourned at 8:27 am.

**Update:** The HISD Board of Education has requested a change to the School Resource Allocation for the 2023-2024 school year. If approved, there will be fewer reductions to the PUA and High School Allotment at CVHS. The board will meet again in May and June. Updates will be provided accordingly.
