

SDMC Meeting Minutes

February 28, 2019

Committee Updates

Yearbook committee will not meet and move the yearbook along until after the Berry Rodeo

Conscious Discipline-No news

Celebrations-No news

Concern with Power Hour

Ms. Meng came on behalf of Ancillary and TA's with a concern with how effective Power Hour is for the ancillary team, TA's and the students. They believe they aren't being as effective with the small groups, the behaviors are not the same and the concern is that it is not working. Ancillary will meet with Mr. Lujan to discuss.

TADS Update-District is looking into moving to another form of TADS, the proposal is to implement Modified TADS (M-TADS). Mr. Lujan read the proposal to the SDMC members present and SDMC discussed questions.

Picture Company Concern-The concern was brought up about the picture paper quality, the spring pictures going home and not being returned by the students. How the company is handling the distribution, etc. It was more of a concern with the front office.

Student ID Cards- The school is trying to see how we can effectively utilize ID cards for next school year. The picture company sent the ID cards for use this school year, maybe we can use as a trial run to prepare for next year. Our recommendation is to use the student id cards for breakfast

ID CARDS

Homeroom teacher will pass out ID cards

Students will turn in for breakfast

Cafeteria Staff will scan and sort ID tags and pass the cards back out to teachers

Students will wear ID tags all day and use for lunch and turn in the end at the end of the day.

Items brought to forward from Teachers, Parents and or Community- Concern was brought up about the hallway traffic at dismissal, we are thinking that students are coming down early from classrooms, a suggestion was made to make an announcement on the buzz about dismissal procedures. There is a lot of traffic in the hallways and there is no one monitoring in the hallways. We need to look at who can monitor in the hallways from each dismissal area.
