Schedule: 60 minutes

Time	Minutes	Activity
1:45-2:00	15	<p>Welcome and check in with new members: Members were welcomed to first SDMC. There will be 4 meetings this year to discuss and approve major decisions that will impact the school. As a campus we try to include teachers and community members to make major decisions.</p> <p>Principal checked in will all staff members.</p> <p>Dominguez-4th grade is starting their extended day next week. Cortez and Vu are hosting a reading club, Dominguez and Lozano are going to host a math club.</p> <p>Rivero-Shared parent complain. Parents are concerned that students are marked late due to temperature checks.</p> <p>Mrs. Riggs-Parent shared that if students get to school at 7:25 the process is quick.</p> <p>Gutierrez-Pk had an end of year project, students created ME puppets, celebration unit was a success.</p> <p>Alvarado-Kinder will do a Hispanic Heritage Month activity next unit.</p> <p>Cortez-Contacted environmental group to request water bottles and was able get some bottles for the students!</p> <p>Ortega-Shared that safety is a concern on campus. We have had some serious accidents during recess time and students must be monitored at all times.</p>
2:00-2:15	15	<p>Urgent Concerns</p> <p>Temperature Checks: Teachers would like to keep temperature checks as an added safety measure. We will continue doing temperature checks until further notice.</p> <p>PK: We had to collapse one PK class due to the low number of enrollments. Those students were assigned to the other five classes.</p> <p>K: Kinder is departmentalized this year. The teachers have been successful at this time. The students are learning the routines and if this trial is a success, we will expanded next year.</p>

		<p>Safety: We had a child that fell from the monkey bar and a student that had a serious injury on his forehead. Every year we have had an accident on that playground, and we will remove it this year.</p> <p>After School: We are still enrolling students in the afterschool program. Vendors will start coming in next week, September 27, 2021.</p>
2:15-2:45	15	<p>SIP review, goals, and approval</p> <p>SIP was introduced to SDMC. We reviewed all parts of the SDMC.</p> <p>We will continue to have dual language, PALS, resource, gen ed. The goals this year is for our EL students to learn English.</p> <p>All members reviewed the executive summary. Members were allowed to read this portion and to ask questions.</p> <p>Members did not have any questions.</p> <p>Goals 1, 2, 3, 4 were reviewed by members.</p> <p>Dr. Rodriguez asked the parent to share what programs her children use at home and how we could make our programs better.</p> <p>Parent: Shared that students use MyOn at home. Mom reached out to GT coordinator in previous years and did not receive any information. She would like for the school to work on communicating better with parents.</p> <p>Ms. Rivero Shared that 60% of the students are reading at a level A in Spanish. She is concerned that students are not reading at grade level in their home language.</p> <p>Dominguez-Shared that she has the same concern as Ms. Rivero.</p> <p>HB3-Money is allocated to provide training and resources to teachers on pk-3.</p> <p>All members agreed and approved with the SIP goals. Members did not have any questions.</p>
