Welcome

Ms. Barragato began the meeting at 7:30 pm. Mr. Barragato read over the Core values and meeting norms. He then reiterated that our building is still under renovations due to work not being completed by HVAC contractors on schedule. The main purpose of this meeting will be for the SDMC to discuss campus concerns.

Data Review

Committee reviewed attendance data. Secondary DAEP is holding stead at 85% and the Elementary DAEP is at 92% presently. Enrollment, as of this meeting, sits at 111 students.

Campus and District Updates

A Multigrade Science teacher has been hired for the Secondary DAEP at the job fair this past Saturday. Current vacancies for the Secondary include a Sped Resource person and counselors.

Safety

The Secondary DAEP is working towards partnering with the Mayor's Office of Gang Prevention/Intervention (MOGPI) to provide interventions in Grade 8.

Planning Items

- Currently exploring "block" master schedule possibilities.
- Looking to continue partnership with Teen and Police Service Academy (TAPS), Texas State University (TSU) street law, and MOGPI mentoring.

Focus area before the end of this year is Individualized Educational Plan (IEP) Professional Development (PD) review. Making sure we are 100% trained in Crisis Prevention (CPI) and reporting.

New Business

- Testing environment should be safe and secure every day for STAAR. Our CTC has been trained. Current testing procedure is going well. Instruction must continue when other students are testing.

Questions

No questions were asked at this time.
