Agenda Items:

Meeting Notes:

LEAD Presentation- Teachers were concerned about ranking all the administrators the same. Concerns were rooted in the need for all administrators to put in the same level of work and not have a couple administrators carry the load for all. It was shared that the campus must rise as a community and all should have the same benchmarks and success should be shared. Other feedback for the LEAD presentation was generally positive.

Safety on Winkler Drive—Teacher Concern- Students have been running out to cars who are stopping in the middle of the road on Winkler Drive. It is essential that all teachers are on duty and monitoring the road. Teachers need to stand in the grass near the sidewalk and not hover by the gate. Correct any student who tries to get into a car by running into the road.

Assessment Calendar- The calendar is available on the canvas webpage and the schoolwide Google Calendar.

Follow up Action Items--

- Randall to meet with admin regarding detentions and Behavior Log Feedback
- Next meeting Thursday, November 30th.
