Meeting began at 4:26 PM.

1. TES Framework Fuller began by sharing the agenda. The focus of this SDMC was to understand the framework proposal for TES.

4:25 Ms. Fuller presented the slides by Alyssa Murray explaining the different frameworks. Video shown

The team discussed the differences between the options.

Thibodeaux shared concerns about student surveys. Students sometimes feel upset with their teachers and know that they can make a statement by giving a negative survey.

- The team discussed what having the campus action plan included in the teacher evaluation would look like.
 - How can that be measured for an individual teacher? Individual contribution towards the action plan goals?
2. Framework vote: The team decided to unanimously vote for option A: 45% Qof I 30% St. achievement and 10% action plan.

Meeting adjourned at 5:24 PM
