Student Attendance as of March 2022 is 90.5% and we need a plan to improve student and staff attendance.

Suggestions:

1. Weekly drawing for prizes for student and staff attendance.
2. Lunch outside for the class with perfect attendance
3. Ice cream and/or pizza parties for perfect attendance.
4. Fun Friday for attendance and behavior.
5. Meets and Masters Club for attendance, behavior, and academic performance.
6. After-school extracurricular activities to improve attendance, behavior, and academic performance.
7. Campus wide usage of Class Dojo.

Tracking Attendance: On time arrival

1. Use charts and post outside the classrooms.
2. Class Dojo as a campus-wide tool to track attendance.
