

SDMC Minutes

May 16, 2017

Meeting was called to order at 3:35. In attendance: Michelle Turek, Bryan Bancroft, Todd Paulus, Brian Castle, Jennifer Lyle, Marcella Melancon, and Vicki Wallin.

- I. Approval of April Minutes- Minutes were approved.
- II. Arts Access Initiative- Mrs. Turek explained the initiative and that the students of Herod would have multiple arts experience brought to the school to experience. Examples may include ballet, symphony, plays, and field trips. Mrs. Turek suggested that we apply for next year so that all our students have a chance to enjoy the arts experience. Everyone agreed that it would be a good idea to apply.
- III. 2017-2018 Vision- Mrs. Turek shared that timely intervention for all students would be the focus next year. Mrs. Marsh will target timely reading intervention and Mrs. Brady will target math intervention.

We will also have a focus on project base learning and will be implementing the Genius Hour school-wide next year. The only non-negotiable Mrs. Turek mentioned was that each grade level must keep the same time and day of the week throughout the year. Teachers will also be trained during the summer to prepare for the upcoming Genius Hour initiative.

- IV. For new business, Vicki Wallin mentioned that her goal next year will be to cover the fence around the circle drive with many more sponsor's banners increasing donor contributions to the school.

Meeting was adjourned at 3:55
