Thursday, May 23, 2019 (*Library at 4pm*)

➤ **Welcome and Sharing**

➤ **Staffing**

Various positions available, it will be a busy hiring season.

➤ **Budget Updates**

No more budget cuts, but we must meet enrollment numbers. We are accepting transfers.
No more sub funds for the rest of the year.

➤ **Review of any campus policies**

Hoodies policy will return to only Burbank hoodies, until eliminated, then going forward, any sweater/jacket must have a zipper.

➤ **Questions and Concerns**

Parents continue driving in the teacher parking lot in the mornings and afternoons.

Administrator of that duty post will be notified. Bus parking lot is too much of a safety issue if opened to visitors.

Can we vote to remove the rule about boys wearing earrings?

Vote on male earrings ruled to continue banning boys from wearing earrings.

Suggestion to add blue pants to uniform, due to girls having accidents on to menstrual cycle.

Suggestion denied; the student will still have to change if accident occurs.
