<p>Committee Member input and Discussion</p>	<p>Suggestions for school initiatives: Bounce house party for perfect attendance from Nove 8-Feb 28 Eagle family of the month to showcase parents and families that are going above and beyond for our scholars</p>
<p>Grade Level Feedback</p>	<p>PreK team: Team would have to have color ink available in their printers. Feedback: administration is encouraging teachers to use grade level printers for small jobs and the Rikko printers for class level jobs.</p> <p>Kinder team A TA is needed to cover for TA that is not longer working at Neff ECC. Feedback: administration will look into the schedules of all TAs to allocate more time for all teachers in K grade level Kinder teachers would like their ancillary schedule to be revised so they don't lose 7-10 min of their ancillary time due to waiting for coverage. Also, students are rushed to finish their breakfast to make it to ancillary on time. Feedback: administration will look into solutions ,maybe they will ask ancillary team to meet students in their classrooms Can Kindergarden create a schedule so that at 3:20 only one teacher takes care of all Kinder students here at that time? Feedback: schedule can be created and sent to administration</p> <p>1st grade Team see the need of adding following items in the teacher's lounge for functionality: microwaves, refrigerator, one table next to printer to place work when making copies. Administrator will speak to PTO Girls restroom in 1st grade team needs attention, 1st grade will email administration. It will be nice to have interventions for 1st grade. Administration will look into contacting Sharpstown International for volunteers.</p> <p>SPEd Department ECSE classrooms are concerned about TAs being pulled. Administrator informed that it will only happen in extreme circumstances</p> <p>All grade levels: Concern regarding the internet signal. There will be a survey sent to the school to get a count of classrooms where internet signal is not working. Then,there will be follow up steps. We need to have enough supplies of dry erase markers and paper for copies.</p>

Next Steps and Meeting Schedule

Some of the concerns will be addressed during our next PD day next week. In addition, we will get a demonstration of how to print using the Ricoh printer.

Team members were reminded to collect concerns, question for our next SDMC meeting. Date will be announced at a later time.
