- Questions and Concerns
  - Students tardy to power period – always an issue but it's out of control. Why don't we ever do early morning hall sweeps?
  - Dress code isn't being enforced campus wide (7<sup>th</sup> grade is the worst) – it's a little issue that brings on bigger ones especially when students refuse to cooperate with removal of items. Can administrators and clerks do uniform checks in the morning in assigned areas? Students are still wearing joggers, not tucking in shirts, wearing all kinds of hoodies... Why do we have a dress code if we aren't going to enforce it.
  - Jeans on Wednesday for teachers! Or another day – this will increase morale for some teachers
  - Ideas on how to motivate students who are unmotivated

The graffiti in the girl's RR in the E hallway has gotten pretty bad since the beginning of the year. Profanity written in sharpie... Not sure if I have a solution... backpack checks? Confiscating sharpies? More frequent cleaning???

➤

- We are having a big problem on the first floor of D Hallway when the 8<sup>th</sup> graders are going to lunch. There is only one 8<sup>th</sup> grade class down here. 8<sup>th</sup> graders are not supposed to go down our hall on their way to lunch because they keep disrupting our classes multiple times a week. They will scream, bang on our doors, and even open our doors and slam them shut and are highly disrespectful if you step out to correct them. Can we please have someone on duty at the beginning of 8<sup>th</sup> grade lunch to stop the constant disruption of our classes?
