Meeting started at 4:00pm

1. Welcome and Refreshments
2. Westside's SDMC committee and Administration team visited the newly opened HCC Alief Location. The team toured the new facility and what it has to offer. There are several programs offered that provide an extension of classes that mirror the pathways at Westside. HCC provides a partnership with Westside to help students focus on college and career readiness. The facility supports programs such as digital media, engineering, informational technology as well as additional opportunities for innovative learning.
3. Adjourn
