- Ms. Brown also asked for suggestions for any teacher incentives to get us over the hump and student incentives to get our students to engage more.
- Lastly, we went over teacher concerns and/or any questions teachers may have. Members mentioned getting parents to know student grades and how to access on PowerSchool. Other concerns mentioned were students not participating and what to do if a virtual student is cheating on an exam. Lastly, it was asked if teachers could get a refresher on Ontrack and how to implement the lockdown feature so that students can't cheat.
