Comprehensive Needs Assessment

Revised/Approved: August 5, 2022

Demographics

Demographics Summary

J.R Reynolds is a small neighborhood school located in the Sunnyside area of Houston, Texas. It is a part of the Worthing High School feeder pattern. Our final enrollment for the 2021-2022 school year was 334. Our learning community is represented by the following: 79.5% African American, 14.8% Hispanic, .6% Asian, 1.3% White and 3.8% other. Our student populations include 93% Economically Disadvantaged, 3% English Language Learners, 2% Gifted and Talented, 5.67% Special Education, and 40% At-risk.

Demographics Strengths

J.R. Reynolds is a hidden gem nestled in the Sunnyside community. One of our greatest strengths is we adhere to Maslow's Hierarchy and place huge emphasis on meeting our scholar's basic needs. We foster a "Chick Fil A" experience at Reynolds where taking care of our scholars socially, emotionally, and academically is our pleasure and our utmost priority.

Additionally, the resiliency and relentlessness of the staff and students is another strength of Reynolds. I am most proud of the work that was exerted during the 2022-2023 school year, which we received an overall B rating. The leaders, staff, and students were intentional about our instructional practices and maximized every second of the day while delving into the work. We set forth a goal, devised a realistic plan based on our historical data, then executed.

Problems of Practice Identifying Demographics Needs

Problem of Practice 1: STAAR Reading (grades 3-5) showed 61% at approaches, 36% at meets and 14% at approaches. This contributed to our campus receiving an F in domain 1. **Root Cause:** The root cause was the students were still recovering from learning loss during the pandemic and a huge emphasis was placed on intervention instead of the first teach.

Problem of Practice 2: STAAR Math (grades 3-5) showed 44% at approaches, 26% at meets and 12% at approaches. This contributed to our campus receiving an F in domain 1. **Root Cause:** The root cause was the students were still recovering from learning loss during the pandemic and a huge emphasis was placed on intervention instead of the first teach. Additionally, our entire math department were new teachers and adjusting to the "Reynolds Way."

Problem of Practice 3: STAAR Science (grade 5) showed 35% at approaches, 9% at meets and 2% at approaches. This contributed to our campus receiving an F in domain 1. **Root Cause:** The root cause was the students were still recovering from learning loss during the pandemic and a huge emphasis was placed on intervention instead of the first teach. Additionally, this teacher was battling a difficult pregnancy and was absent or ill many days. The leadership team spent majority of our resources on math and reading.

Student Learning

Student Learning Summary

Based on 2020-2021 data and BOY 2021-2022 data, our scholars have academic gaps and regressions. We noticed that many of our 1st-3rd graders are struggling with basic phonemic awareness, phonic skills and computation. In reality, majority of scholars missed out on 1.5 years of instruction, so teachers have to slow down to catch up. Students are receiving intervention daily to close gaps, so the first instruction doesn't go over their heads or frustrate them.

Problems of Practice Identifying Student Learning Needs

Problem of Practice 1: Based on our 2022 EOY Ren 360 literacy data, at least 60% of scholars are not on or above grade level in 2nd-5th grade. **Root Cause:** Students did not engage in best literacy routines.

Problem of Practice 2: Based on our 2022 EOY Ren 360 math data, at least 60% of scholars are not on or above grade level in 2nd-5th grade. **Root Cause:** Students did not engage in best math routines.

Priority Problems of Practice

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals
- HB3 Reading and math goals for PreK-3
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)
- Covid-19 Factors and/or waivers for Assessment, Accountability, ESSA, Missed School Days, Educator Appraisals, etc.
- Planning and decision making committee(s) meeting data
- State and federal planning requirements

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Accountability Distinction Designations

Student Data: Assessments

- State and federally required assessment information
- STAAR current and longitudinal results, including all versions
- STAAR released test questions
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Student failure and/or retention rates
- Local diagnostic reading assessment data
- Local benchmark or common assessments data
- Running Records results
- Observation Survey results
- Prekindergarten Self-Assessment Tool
- Texas approved PreK - 2nd grade assessment data
- Texas approved Prekindergarten and Kindergarten assessment data
- Other PreK - 2nd grade assessment data
- State-developed online interim assessments
- Grades that measure student performance based on the TEKS

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group

- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- Migrant/non-migrant population including performance, progress, discipline, attendance and mobility data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Section 504 data
- Homeless data
- Gifted and talented data
- Dyslexia data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Violence and/or violence prevention records
- Student surveys and/or other feedback
- Class size averages by grade and subject
- School safety data
- Enrollment trends

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- State certified and high quality staff data
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact

Parent/Community Data

- Parent surveys and/or other feedback
- Parent engagement rate
- Community surveys and/or other feedback

Support Systems and Other Data

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Communications data
- Capacity and resources data
- Budgets/entitlements and expenditures data
- Study of best practices

Board Goals

Board Goal 1: ELAR The percentage of 3rd grade students performing at students reading and writing at or above grade level in reading as measured by the Meets Grade Level Standard on STAAR will increase 8 percentage points from 42% in spring 2019 to 50% in Spring 2024.

Goal 1: The percentage of students performing at the Approaches Level in grades 3-5 will increase from 61% to 80%, Meets from 36% to 46%, and Masters from 14% to 30% as measured by the 2022 STAAR Reading Assessment.

Strategic Priorities:

Expanding Educational Opportunities

Measurable Objective 1: The percentage of students reading at or above grade level according to BRR will increase to 80% by May 2023.

Evaluation Data Sources: Benchmark Running Records (OnTrack)

HB3 Board Goal

Strategy 1 Details	Reviews			
<p>Strategy 1: Implement effective, data-driven daily Guided Reading small groups in Pre-Kindergarten-2nd grade and reading intervention small groups in 3rd-5th grade, along with TEKS-based spiral-review Daily 5 workstations. Utilize tutors and ancillary teachers to provide additional intervention time for students currently reading below level.</p> <p>Strategy's Expected Result/Impact: 90% of students will show growth in their reading levels between the BOY and MOY assessments.</p> <p>Staff Responsible for Monitoring: Administrators, DDIS, Classroom Teachers</p> <p>Action Steps: Assess sufficient supplies and staffing for guided reading and reading interventions; Schedule, plan, and present campus and district PD for teachers during preservice, during PLCs, and throughout the year on Guided Reading, Interventions, and Workstations; Communicate look-fors for small groups with teachers and leadership team; Plan calibrated walks; Train teachers on how to administer Running Records; Assist teachers with analyzing BRR data and forming flexible groups; Plan with teachers during Open Labs, Coaching Sessions, and PLCs; Engage in ongoing coaching cycle with teachers.</p> <p>Title I: 2.4, 2.6</p> <p>- TEA Priorities: Build a foundation of reading and math, Improve low-performing schools</p> <p>- Targeted Support Strategy</p>	Formative			Summative
	Nov	Jan	Mar	June
<div>  No Progress  Accomplished  Continue/Modify  Discontinue </div>				

Measurable Objective 2: The number of students in Tier III for reading will decrease by 10% quarterly as measured by the R360 Universal Screener Inventory.

Evaluation Data Sources: R360 Universal Screener, ITR Report

HB3 Board Goal

Strategy 1 Details	Reviews			
<p>Strategy 1: Implement effective, data-driven daily Guided Reading small groups in Pre-Kindergarten-2nd grade and reading intervention small groups in 3rd-5th grade, along with TEKS-based spiral-review Daily 5 workstations. Utilize tutors and ancillary teachers to provide additional intervention time for Tier III students.</p> <p>Strategy's Expected Result/Impact: The number of Tier III students in reading will decrease. All students will show growth in fluency and comprehension.</p> <p>Staff Responsible for Monitoring: Administrators, DDIS, Classroom Teachers</p> <p>Action Steps: Assess sufficient supplies and staffing for guided reading and reading interventions; Schedule, plan, and present campus and district PD for teachers during preservice, during PLCs, and throughout the year on Guided Reading, Interventions, and Workstations; Communicate look-fors for small groups with teachers and leadership team; Plan calibrated walks; Train teachers on how to administer Running Records; Assist teachers with analyzing BRR data and forming flexible groups; Plan with teachers during Open Labs, Coaching Sessions, and PLCs; Engage in ongoing coaching cycle with teachers; schedule after-school tutorials for Tier III students.</p> <p>Title I: 2.4, 2.5, 2.6</p> <p>- TEA Priorities: Build a foundation of reading and math, Improve low-performing schools</p> <p>- Targeted Support Strategy</p>	Formative			Summative
	Nov	Jan	Mar	June
<div> <div> No Progress</div> <div> Accomplished</div> <div> Continue/Modify</div> <div> Discontinue</div> </div>				

Measurable Objective 3: The percentage of 1st and 2nd grade students passing the 1st Administration of the HFWE will increase from 45% to 90% by November 2022.

Evaluation Data Sources: District HFWE (OnTrack)

HB3 Board Goal

Strategy 1 Details	Reviews			
<p>Strategy 1: Increase teacher capacity to provide daily effective and targeted Tier I and small group instruction in High Frequency Words through coaching, modeling, and training.</p> <p>Strategy's Expected Result/Impact: Teachers will be better able to deliver targeted, high-quality HFW instruction, resulting in an increased number of students passing the first administration of the HFWE.</p> <p>Staff Responsible for Monitoring: Administration, Classroom Teachers</p> <p>Action Steps: Conduct campus needs assessment; create centralized space for HFW teacher resources; collaborate with academic celebration committee to plan student incentives; communicate methods of practicing HFWs with parents and provide them with basic materials; conduct teacher observations during word study and intervention blocks; provide continuous coaching, modeling, and planning support to teachers; schedule campus/district PD surrounding HFW instruction; conduct data dives and HFW at-bats with peer/specialist feedback during PLCs; utilize outside tutors to provide HFW support to students; use volunteers to create HFW data tracking folders for teachers and students</p> <p>Title I: 2.4, 2.6</p> <p>- TEA Priorities: Build a foundation of reading and math, Improve low-performing schools</p> <p>- Targeted Support Strategy</p>	Formative			Summative
	Nov	Jan	Mar	June
<div>  No Progress  Accomplished  Continue/Modify  Discontinue </div>				

Board Goal 2: MATH The percentage of 3rd grade students performing at or above grade level in math as measured by the Meets Grade Level Standard on STAAR will increase 8 percentage points from 46% in spring 2019 to 54% in Spring 2024.

Goal 1: The percentage of students performing at the Approaches Level in grades 3-5 will increase from 44% to 70%, Meets from 26% to 36%, and Masters from 12% to 30% as measured by the 2022 STAAR Math Assessment.

Strategic Priorities:

Expanding Educational Opportunities

Measurable Objective 1: Students will demonstrate at least 80% proficiency on daily exit tickets.

Evaluation Data Sources: Exit Tickets, Campus Based Assessments, District Snapshots

Strategy 1 Details	Reviews			
Strategy 1: Implement effective, data-driven daily Intervention groups and TEKS-based spiral-review workstations. Strategy's Expected Result/Impact: The number of Tier III students in math will decrease. All students will show growth in targeted skills. Staff Responsible for Monitoring: Administrators, DDIS, Classroom Teachers Action Steps: Implement small group instruction using 3 levels of pre-scripted questions. . Providing scholars multiple opportunities to solve word problems through TEKS based work stations. Scaffolded work stations Open Labs for planning small group instruction. Ongoing coaching, modeling and feedback.	Formative			Summative
	Nov	Jan	Mar	June
<div>  No Progress  Accomplished  Continue/Modify  Discontinue </div>				

Measurable Objective 2: The percentage of students performing at or above grade level according to Renaissance 360 will increase by 5% quarterly.

Evaluation Data Sources: Renaissance 360

Strategy 1 Details	Reviews			
Strategy 1: Utilize the Renaissance 360 Instructional Planning Report to plan small group instruction Strategy's Expected Result/Impact: 90% of students will show growth in their targeted skills between the BOY and MOY assessments. Staff Responsible for Monitoring: Administrators, DDIS, Teachers Action Steps: Plan and present campus PD for teachers on utilizing Renaissance 360 Instructional Planning Report. Plan and conduct monthly RTI/IAT PLCs for data analysis and intervention planning. Plan calibrated "walks" with administrators and determine "look-fors" for Intervention Blocks. Utilize DDIS and Intervention TDS to assist teachers with relevant data points and analyzing/utilizing the data to plan. Plan with teachers during Open Labs. Engage in ongoing coaching cycle with teachers.	Formative			Summative

Board Goal 3: SCHOOL PROGRESS The percentage of graduates that meet the criteria for CCMR as measured in Domain 1 of the state accountability system will increase 8 percentage points from 63% for 2017-18 graduates to 71% for 2022-2023 graduates reported in 2024.

Goal 1: SCHOOL PROGRESS

Strategic Priorities:

Expanding Educational Opportunities

Board Goal 4: CLOSING THE GAPS The percentage of students receiving special education services reading at or above grade level as measured by the Meets Grade Level Standard on the STAAR 3-8 Reading and STAAR EOC English I and II assessments will increase 8 percentage points from 21% in spring 2019 to 29% in spring 2024.

Goal 1: By the end of the 2022-2023 school year, 100% of all students identified in the special populations will meet or exceed their progress growth.

Strategic Priorities:

Expanding Educational Opportunities

Measurable Objective 1: By the end of 2022-2023 school year dyslexia students will increase from 3 to 10 and 100 percent of all students with Dyslexia will meet or exceed their progress measures.

Evaluation Data Sources: Formative/Summative Campus and District Assessments, Teacher Observations and Anecdotal Notes, IEPs

Strategy 1 Details	Reviews			
Strategy 1: Accurately assess the needs of students with Dyslexia and effectively target those specific needs. Develop quality and effective instruction through data disaggregation. Strategy's Expected Result/Impact: 100% of students with dyslexia will meet or exceed their progress measures in reading. Students will gain increased ability to comprehend grade-level texts. Staff Responsible for Monitoring: Dyslexia interventionist, Special Education chair, Administrators Action Steps: Identify appropriate professional development for dyslexia intervention teachers Utilizing pacing to attend to the students with Dyslexia services. Use frequent formative and summative with students to provide feedback and modify instruction. Incorporate focused instruction in key content areas as prescribed by TEKS standards. Board Goal 5: N/A - Additional Campus Goals

Goal 1: ATTENDANCE-By the end of the 2022-2023 school year, the attendance rate will have increased from 88.5% to 98%.

Strategic Priorities:

Ensuring Student Health, Safety and Well-Being

Measurable Objective 1: By the end of the 2022-2023 school year, the attendance rate will have increased from 90% to 98%.

Evaluation Data Sources: 1.Attendance tracker bulletin board by grade level and campus
2.Daily attendance tracking with phone calls to parents of absent students
3.Identify students with chronic absences
4.Home visits
5.Attendance Contracts

Strategy 1 Details		Reviews			
Strategy 1: Improve student attendance and decrease tardiness by tracking daily, weekly, and monthly campus attendance rate by August 2021-June 2022. Strategy's Expected Result/Impact: Attendance data will show an increase in attendance for at-risk students who have been identified as having chronic attendance and tardiness. Staff Responsible for Monitoring: Principal Teacher Specialists Counselor Registrar/ADA Clerk Data Entry Clerk Action Steps: (1) Teachers will take and submit ADA attendance on HISD every day at 9:30 a.m. (2) The school registrar and data entry clerk will contact and notify parents of their child's absence from school by telephone calls, district letters, and/or home visits. Strategic Priorities:

Transforming Academic Outreach

Measurable Objective 1: By the end of 2022-2023 school year, 100% of all special education students will meet or exceed their long-term and short-term progress measures.

Evaluation Data Sources: (1)Formative/Summative Assessments

(2) Teacher Observations and Anecdotal Notes

(3) Running Records

(4) Campus Based Assessment

(5) District Level Assessment

Strategy 1 Details	Reviews			
Strategy 1: Accurately assess the needs of students with special education and effectively target those specific needs. Develop quality and effective instruction through data disaggregation. Strategy's Expected Result/Impact: An increase of three or more percentage points in both academic areas reading and in math. Staff Responsible for Monitoring: Special Education Teachers General Education Teachers Administrators Action Steps: (1) Utilizing pacing to attend to the students in special education. (2) Use frequent formative and summative with students to provide feedback and modify instruction (3) Incorporated focused instruction in key content areas as prescribed by TEKS standards.	Formative			Summative
	Nov	Jan	Mar	June

Strategy 2 Details	Reviews			
Strategy 2: Special education and general education teachers collaborate to plan and create horizontally and vertically align instruction following district guidelines. Strategy's Expected Result/Impact: Special education and general education teachers matches course goals and learning objectives to the activities and assessments to ensure students are learning and assessed what is expected of them. Staff Responsible for Monitoring: Special Education Teachers General Education Teachers Administrators Action Steps: (1) Utilizing pacing to attend to the students in special education. (2) Develop mini-targeted lessons to address specific key content areas with students. (3) Differentiate instruction in key content areas using lesson plans, pacing calendar, and planning guides.	Formative			Summative
	Nov	Jan	Mar	June
Strategy 3 Details	Reviews			
Strategy 3: Promote ongoing effective and quality weekly and monthly teacher professional development. Strategy's Expected Result/Impact: Teachers receive the necessary tools to develop the knowledge and skills to address students' learning challenges and provide effective interventions to close those learning gaps. Staff Responsible for Monitoring: Special Education Teachers General Education Teachers Administrators Action Steps: (1) Provide teachers with models that include effective lesson plans, unit plans, sample student work, observational of experienced teachers, and videos or written cases of accomplished teaching. (2) Campus and District Specialists conduct classroom observations and provide both supportive and constructive oral and written feedback on teachers teaching. (3) Communicate ongoing PD trainings via email, Microsoft Teams, and GroupMe	Formative			Summative

Board Goal 5: N/A - Additional Campus Goals

Goal 5: SPECIAL POPULATIONS: EL, Economically Disadvantaged, Dyslexia, At-Risk, Gifted and Talented, etc.

Strategic Priorities:

Expanding Educational Opportunities, Transforming Academic Outreach

Measurable Objective 1: By the end of 2022-2023 school year at least 10 students will be identified for Dyslexia services and 100 percent of all students with Dyslexia will meet or exceed progress as measured in the student's IEP or Section 504 Service Plan.

Evaluation Data Sources: (1) Universal Screener

(2) Nessy Reading and Spelling

(3) Formative/Summative

(4) Neuhaus Academy

(5) Reading by Design

(6) Renaissance CBM for Progress Monitoring

Strategy 1 Details		Reviews			
Strategy 1: Accurately assess the needs of students with Dyslexia and effectively target those specific needs. Develop quality and effective instruction and interventions through data disaggregation. Strategy's Expected Result/Impact: Teachers provide effective interventions and assessments to close those learning gaps and help dyslexic students avoid negative learning outcomes. Staff Responsible for Monitoring: Dyslexia Interventionist Dyslexia Coordinator General Education Teachers Administrator Action Steps: (1) Utilizing pacing to attend to the students with Dyslexia services. (2) Use frequent formative and summative with students to provide feedback and modify instruction (3) Incorporated focused instruction in key content areas as prescribed by TEKS standards.		Formative			Summative

Measurable Objective 3: By the end of 2022-2023 school year, 100 percent of GT students will demonstrate advance skills in district level assessments.

Evaluation Data Sources: (1) Universal Screener

(2) Renzulli Learning

(3) Formative/Summative Assessments

(4) Campus and District PD

Strategy 1 Details	Reviews			
Strategy 1: GT trained teachers meet the needs of gifted/talented students by modifying the depth, complexity, and pacing of the curriculum and instruction. Strategy's Expected Result/Impact: G/T students in grade K-5 shall receive instruction daily by a G/T trained teacher implementing differentiation through acceleration, adding depth and complexity, higher level thinking skills and developing independent research skills in the four (4) foundation curricular areas (English Language Arts/Reading, Math, Science, Social Studies), emphasizing advanced level products. Staff Responsible for Monitoring: GT Coordinator GT Teachers Administrators Action Steps: (1) Conduct universal screeners to identify G/T students (2) Ensure that all GT teachers meets annual certification requirements by November 2022. (3) Plan and implement campus PD on Renzulli Learning System (4) Utilizing pacing to attend to the Gifted and Talent students. (5) Use frequent formative and summative with students to provide feedback and modify instruction (6) Incorporated focused instruction in key content areas as prescribed by TEKS standards.	Formative			Summative

<div>  No Progress  Accomplished  Continue/Modify  Discontinue </div>				

Measurable Objective 4: By the end of 2022-2023 school year, 10 students amongst grades 1st -5th will be identified and meet the eligibility criteria of Dyslexia diagnosis.

Evaluation Data Sources: (1) Universal Screener (Renaissance 360)
 (2) Woodcock Johnson
 (3) Comprehensive Test of Phonological Processing
 (4) Gray Oral Reading Tests

Strategy 1 Details		Reviews			
Strategy 1: Tier 2 and Tier 3 students in grades 1st -5th that display characteristics of Dyslexia through class assignments/tests, district assessments, observations and parent information will be referred to the Intervention Assistance Team (IAT) for further evaluation. Strategy's Expected Result/Impact: Students that meets the condition criteria for Dyslexia through special education or Section 504 will receive Dyslexia interventions and accommodations. Staff Responsible for Monitoring: Teachers IAT Coordinator District Evaluation Specialist Special Education Coordinator Section 504 Coordinator Action Steps: (1) Teachers in grades 1st-5th detect early characteristics of dyslexia in students (2) Contact and notify parents of possible characteristics (3) Refer students to the IAT Coordinator (4) IAT Coordinator schedule and conduct a meeting with the parent, district evaluation specialist, and general education teacher		Formative			Summative

  Discontinue

Measurable Objective 5: By the February, 8 students per grade-levels (1st-5th) will be assessed for Gifted and Talented.

Evaluation Data Sources: (1)HISD Teacher Recommendations Form
 (2) Cognitive Ability Test (CogAT) (online)
 (3) IOWA Assessment (online)

Strategy 1 Details		Reviews			
Strategy 1: During the Gifted and Talented enrolled/non enrolled applicants assessment window, teachers will identify and recommend students who detect characteristics of Gifted and Talented to assessed, Strategy's Expected Result/Impact: Increase in numbers of students that meet the criteria of Gifted and Talented Staff Responsible for Monitoring: (1) General Education Teacher (2) Campus Testing Coordinator (3) Gifted and Talented Coordinator (4) Parent Action Steps: (1) Teachers will receive professional development on identifying students with Gifted and Talented characteristics (2) Teachers in grades 1st-5th will identify at least 8 students who display characteristics of Gifted and Talented (3) Teachers will complete a Teacher Recommendation form in HISD Connect by January of 2023 (4) GT Coordinator will contact and notify parents of recommendations via telephone call (5) GT Coordinator will send correspondences to parent of GT assessment schedule (6) Students with teacher recommendations will be assessed by CTC during the assessment window		Formative			Summative
		Nov	Jan	Mar	June
 No Progress  Accomplished  Continue/Modify  Discontinue					

Measurable Objective 6: By the end of the 2022-2023 school year, at least 10 students per K-5 will have tested for GT identification.

Evaluation Data Sources: -GT Teacher Recommendations

-GT Matrix

-GT Parent Referrals

Board Goal 5: N/A - Additional Campus Goals

Goal 6: PARENT and COMMUNITY ENGAGEMENT

Strategic Priorities:

Expanding Educational Opportunities

Measurable Objective 1: By the end of the 2022-2023 school year, Parent and Teacher Organization (PTO) will be formed and become active parents on campus.

Evaluation Data Sources: (1) Volunteer Sign-up Sheet

(2) Parent Sign-In Sheets

(3) Parent Survey Data

(4) Increased Attendance and Parent Awareness

Strategy 1 Details		Reviews			
Strategy 1: Establish an internal communication for parent volunteers to actively become involved by providing district-wide professional development trainings and information VIPS sign-up process Strategy's Expected Result/Impact: While collaborating with teachers and administrators, parents will receive essential information on becoming a source of support in improving their child's educational experience. Staff Responsible for Monitoring: Principal Title 1 Coordinator Teacher Specialists Teachers Counselor Wrap Around Specialist Action Steps: 1. Conduct annual Title 1 meetings to inform parents of volunteer opportunities and various aspects of Title 1. 2. Conduct a parent involvement meeting to encourage parents to actively volunteer on campus. 3. HISD FACE department conducts monthly webinars and trainings to provide parents with valuable information and community resources 4. Advertise parent volunteer opportunities via flyers, community call-out system, and Class Dojo. 5. Develop school-parent compact and campus parent and family engagement policy with parent volunteers. Distribute policies via the school website and Class Dojo Title I: 4.1, 4.2		Formative			Summative
		Nov	Jan	Mar	June
		 No Progress	 Accomplished	 Continue/Modify	 Discontinue

Measurable Objective 2: By the end of the 2022-2023 school year, the number of parents engaged in school activities and events will increase from 5% to 35%.

Evaluation Data Sources: (1) Volunteer Sign-up Sheet

(2) Parent Sign-In Sheets

(3) Advertise parent volunteer opportunities via flyers, community call-out system, and Class Dojo.

Strategy 1 Details	Reviews			
<p>Strategy 1: Coordinate and implement the following parental involvement activities: Meet the Teacher, Parent University, Involved Dad Group, Parent/Teacher Conferences, Open House, Literacy and Math Night, PTO events and fundraisers, Student Led Conferences, Muffins with Moms, Donuts with Dads, Academic Nights to discuss ways to assist students at home with academics</p> <p>Strategy's Expected Result/Impact: While collaborating with teachers and administrators, parents will receive essential information on becoming a source of support in improving their child's educational experience.</p> <p>Staff Responsible for Monitoring: Principal Title 1 Coordinator Teacher Specialists Teachers Counselor Wrap Around Specialist</p> <p>Action Steps: (1) The Leader in Me (TLIM) Committees plan and schedule events and activities (2) Creating Grade-level weekly newsletters/flyers (3) Post all pertinent information on Reynolds website and marquee, Reynolds HISDTwitter and Class Dojo to communicate with parents and community</p> <p>Title I: 4.2</p>	Formative			Summative
	Nov	Jan	Mar	June
<div>  No Progress  Accomplished  Continue/Modify  Discontinue </div>				

Board Goal 5: N/A - Additional Campus Goals

Goal 7: MANDATED HEALTH SERVICES

The campus will meet 100% of Mandated Health Services by the required dates for Immunization Monitoring, Vision Screening (Grades PK, K, 1, 3, 5 & 7), Hearing Screening (Grades PK, K, 1, 3, 5, & 7), Type 2 Diabetes (Grades 1, 3, 5, & 7), Spinal Screening (Grades 6 & 9), Medication Administration and AED Maintenance Checks.

Strategic Priorities:

Ensuring Student Health, Safety and Well-Being

Measurable Objective 1: IMMUNIZATION MONITORING, data entry and state reporting requirements will be completed by a certified school nurse on or before October 21, 2022.

Evaluation Data Sources: Immunization data entry and state reporting for all students completed by SCHOOL NURSE:

Estimated number of students to be screened:

Note: If the school does not have a certified school nurse or screener, steps for completing this requirement will be detailed in the strategy below.

Measurable Objective 2: VISION SCREENING at Grades PK, K, 1, 3, 5, & 7 will be completed by a certified school nurse or screener on or before December 9, 2022.

Evaluation Data Sources: Vision screening records for all applicable students completed by SCHOOL NURSE:

Estimated number of students to be screened:

Note: If the school does not have a certified school nurse or screener, steps for completing this requirement will be detailed in the strategy below.

Measurable Objective 3: HEARING SCREENING at Grades PK, K, 1, 3, 5, & 7 will be completed by a certified school nurse or screener on or before December 19, 2022.

Evaluation Data Sources: Data entry, referral forms, and state report completed/submitted by SCHOOL NURSE:

Estimated number of students to be screened:

Note: If the school does not have a certified school nurse or screener, steps for completing this requirement will be detailed in the strategy below.

Measurable Objective 4: TYPE 2 DIABETES SCREENING at Grades 1, 3, 5, & 7 will be completed by a certified school nurse or screener on or before December 9, 2022.

Evaluation Data Sources: Screening, data entry, referral forms and state report completed/submitted by SCHOOL NURSE:

Estimated number of students to be screened:

Note: If the school does not have a certified school nurse or screener, steps for completing this requirement will be detailed in the strategy below.

Measurable Objective 5: SPINAL SCREENING at Grades 6 & 9 will be completed by a certified school nurse or screener on or before February 3, 2023.

Evaluation Data Sources: Screening, data entry, referral forms and state report completed/submitted by NAME & POSITION:

Estimated number of students to be screened:

Note: If the school does not have a certified school nurse or screener, steps for completing this requirement will be detailed in the strategy below.

Measurable Objective 6: MEDICATION ADMINISTRATION, including, but not limited to emergency care of students with diabetes, seizures, and life threatening anaphylaxis will be completed by a certified school nurse for the school year 2022-2023.

Evaluation Data Sources: PERSON RESPONSIBLE: School Nurse/Health Wellness Team

Note: If the school does not have a certified school nurse or screener, rationale for not providing this service and steps for completing this ongoing student support need will be detailed in the strategy below.

Measurable Objective 7: AED (Automated External Defibrillator) MONTHLY MAINTENANCE CHECKS will be conducted for all AEDs and an annual report submitted to Health and Medical Services.

Evaluation Data Sources: PERSON RESPONSIBLE who is certified in CPR/AED:

Number of AEDs on campus:

Board Goal 5: N/A - Additional Campus Goals

Goal 8: COORDINATED HEALTH PROGRAM (ES, MS and K-8 Campuses)

The campus will provide a Coordinated School Health Program designed to prevent obesity, cardiovascular disease, and Type 2 diabetes by coordinating health education, physical education, physical activity, nutrition services and parental involvement.

Strategic Priorities:

Ensuring Student Health, Safety and Well-Being

State Compensatory

Budget for 225 Reynolds Elementary School

Total SCE Funds: \$44,170.00

Total FTEs Funded by SCE: 0

Brief Description of SCE Services and/or Programs

SCE funds will be used to support at risk students that have not performed satisfactorily on assessments by purchasing supplemental materials for reading and math that can be used for interventions.
