Meeting began at 4:31PM

- **TES**

Mr. Batrez began by showing the slides along with printed copies of slides on TES explaining the results that were voted last time. All the District SDMC's voted feedback on the planning and professionalism, draft rubric, and the distinguished teacher review draft. The framework that was voted on by the majority of SDMC's was Student Achievement is 35% Planning and Professionalism is 15% Campus Action Plan is 5% Quality Instruction is 45%. Professionalism Rubric-Blue is Distinguished is and Yellow is Planning. Professionalism, high performance culture, Expectations. Ms. Zuniga said that she could see a student survey to determine this information. Ms. Viera believes, Mr. Waters said it's true because of the meeting she attended in January.

- **Pre Enrollment, Recruitment and Promotion**

We need students in school by age 3 and potty trained. They are more likely to be proficient in early literacy, math and profession in reading. Our PreK Teacher

and TA's are awesome! How do we recruit? By setting up a table at the PreK Fair. Ms. Lopez is going. We can also announce prek on the marquee and classdojo. Notes will be sent home with older siblings. Ms. Lopez said notes were sent home last week. We can create a slide show of our PreK classes activities and events. Ms. Viera said we can add to our monthly meeting agenda. Mr. Batrez will promote PreK recruitment in our Coffee with Principal meeting.
