

SDMC

9/27/2022

1. Introductions and experience
2. SIP Goals – Board and Campus Goals
Achievement will be our big focus along with the growth
Collaborate from PK – 5th grade to reach goals

Goal 1: Math – Increase 12 for each% in each data band.

Strategies: Eureka Math implementation to move to more rigorous instruction

Strategies: Zearn

Strategies: Student alignment debriefs to STAAR

K-2 classrooms are going to receive laptops

Goal 2: Reading – Increase 12% in each STAAR data band.

Discussed the possibility to open the computer labs for classrooms to alternatively check in
Technology is needed on a 1 on 1 correspondence

Goal 3: College/Career/Military Readiness

Goal 4: Special Education Services

Include CE in notifications of new students. Ms. Routzon will provide FIE for CE to be aware of student accommodations.

Goal 5: Additional Campus Goals

Remind teachers attendance tags have to be out before 8:15am.

Discipline: What are doing to improve student behavior. The implementation of Campus Behavior Plan to improve behavior.
