SCHOOL-PARENT COMPACT

J.C. Mitchell and the parents of the students participating in activities and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA) (participation children), agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards.

This school-parent compact is in effect during the 2022-2023 school year:

School Responsibilities

J.C. Mitchell Elementary will:

1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards as follows:

The campus will ensure that every teacher is highly qualified and meets the teaching standards required. The curriculum and instruction will be aligned to the Texas Essential Knowledge and Skills, and we will utilize HISD curriculum. Students will receive differentiated instruction in the form of workstations, digital resources, guided reading, and small group instruction.

2. Hold parent-teacher conferences during which this compact will be discussed as it relates to the individual child's achievement.

Parents will have opportunities to meet with their child's teacher during scheduled conference times.

3. Provide parent with frequent reports on their children's progress.

Parents will receive information regarding their child's progress every third and sixth week of the reporting cycle. Parent also have access to HISDConnect via Parent Connect. Also, parents will be notified that their students will be receiving intervention if data indicates that there is an academic need.

4. Provide parent reasonable access to staff.

Staff will be available for consultation daily during their scheduled conference times. During virtual learning, teacher will also provide office hours for parents to connect and ask questions.

4. Provide parents opportunities to volunteer and participate in their child's class and to observe classroom activities, as follows:

Parents are encouraged to sign up as a Volunteer in Public School (VIPS) at registration and every school function. Parents who are VIPS approved have an opportunity to assist in their child's class, conduct observations, and attend field trips when appropriate.

5. Hold an annual meeting to inform parents of the school's participation in Title I, Part A programs, and to explain the Title I, Part A requirements, and the rights of parent to be involved in Title I, Part A programs. The school will convene the meeting at a convenient time to parents and will offer a flexible number of additional parental involvement meetings, such as in the morning or evening, so that as many parts as possible are able to attend. The school will invite to this meeting all parents of children participating in Title I, Parent programs (participating students), and will encourage them to attend.

6. Notify parent of the school's participation in HIPPIY program operating within the school, the district, and the contact information.
