#### **Lovett Summer Enrichment Camp**

We are very excited to share that we are bringing back the summer enrichment program. Lovett staff is planning fun and engaging sessions that will spark your child's interests in a safe, secure, and structured well-known environment. Students will be grouped together by their current grade level for most of the sessions, PK-2 and 3-5. Each enrichment session must have a minimum of 10 students enrolled to make and a maximum of 15 students. Extended Day will also be offered. We hope that you will consider us for your summer plans!

Along with this letter are the flyers created by our teachers to give a brief overview of the exciting experiences we will be offering. Registration forms will go home and be posted this Friday, May 9th. All information will also be posted on the Lovett website, the PTO website, and available for view in the main office. Registration is ongoing until classes are full. Registration forms should be turned in to the front office by parents or students where they will be date/time stamped as they are received. It is highly advised that you do not place this in your student's backpack, folder or leave with the teacher. **Due to limited space, sessions will be filled on a first come first serve basis.** Full payment is due at the time of registration to ensure your child's spot. If payment arrangement needs to be made, contact Ms. Sims immediately. Payments can be made online at <a href="https://www.schoolpay.com">www.schoolpay.com</a> or in cash to the front office. We cannot accept personal checks. Refunds will not be made unless camp is cancelled by HISD or Lovett administration. If you choose to pay online, you still must turn in your registration selection sheet to the main office. For students to enroll in our summer enrichment program they must meet all HISD and Lovett guidelines: both academic and behavior. If you have any questions, please contact Ms. Sims at 713-295-5258 or <a href="maintended-simple-to-the-to-t

Note: If enrolling in any session with Coach Ruiz, Mr. Trejo or Mr. Stinson, QR codes are available on the flyer with additional payment information.
