HISD announces principals for New Education System Schools

June 27, 2023 - The Houston Independent School District announced the exceptional education leaders who will drive transformation at the 28 New Education System campuses. These principals will shape the future of their schools and prove what is possible for all students in HISD. These leaders will become the instructional leaders at their campuses, grow and maintain a campus culture that supports all students to achieve at high levels and access the skills and capacities that will prepare them for the year 2035 workplace and world. 17 of the 28 principals named are returning to their campus in the 2023-2024 school year, the remaining positions were filled by HISD leaders selected from other parts of the district, or outstanding external candidates.

“Principals are the backbone of the work we must do to make HISD a district that prepares all students to achieve at the highest levels,” said Superintendent Miles of the appointments, “they are talented, courageous educators and I’m excited to support their work.”
