

**Wesley Elementary School
SDMC Q3 Meeting Notes
Wednesday, February 19, 2025
4:30pm-6:00pm**

Meeting started 4:30pm

4:30pm- Mrs. Nash welcomed everyone and shared the agenda for today. The first thing on the agenda is the TES. She played the TES Talk video, which explained what TES is.

4:45pm- The draft framework was presented to members, Mrs. Nash if anyone had questions, no one had questions. She then provided group member 3-5 minutes to review the rubric draft and discuss with group members any feedback that they have.

4:50pm- Mrs. Douge stated that the misconceptions that are noted in the rubric is concerning. Ms. Evans stated that she is concerned about the scale starting a 0.0. Mrs. Nash directed them to highlight concerns, and they will be submitted during the feedback portion.

5:10pm- Mrs. Nash provide background information on the Distinguished Teacher rubric and allowed group members 5 minutes to review and highlight feedback on the rubric.

5:15pm- Ms. Poole asked, "Does the DTR pertain to spot scores"? Mrs. Nash stated we can ask this during the feedback.

5:20pm- Mrs. Nash reviewed the Distinguished Teacher Review (DTR) more in depth. Mrs. Nash noted that student surveys are mentioned but will possibly not be apart of TES, we can add this to the feedback as well.

5:25pm- Mrs. Nash provided group members the opportunity to scan a QR code to complete the feedback on Planning and Professionalism as well as the Distinguished Teacher Review (DTR), this is optional.

5:35pm- Mrs. Nash provided group members with information on how to join focus groups.

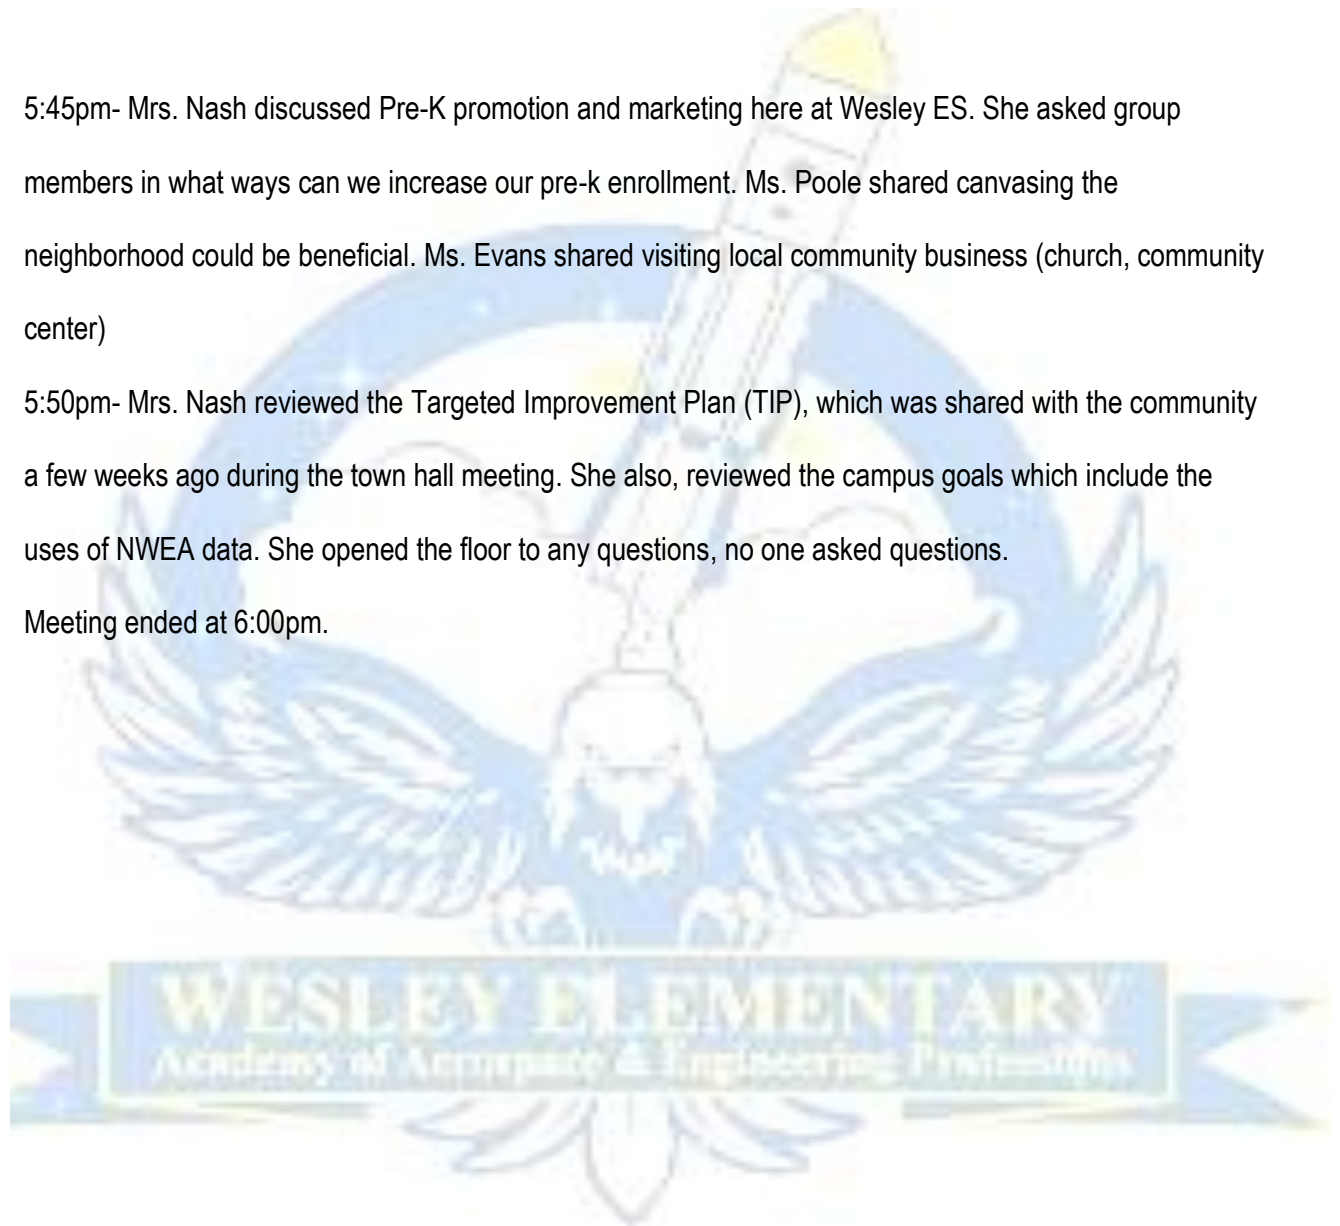

Soaring to New Heights!

SDMC Q3 Meeting Notes
Wednesday, February 19, 2025
4:30pm-6:00pm**

5:45pm- Mrs. Nash discussed Pre-K promotion and marketing here at Wesley ES. She asked group members in what ways can we increase our pre-k enrollment. Ms. Poole shared canvassing the neighborhood could be beneficial. Ms. Evans shared visiting local community business (church, community center)

5:50pm- Mrs. Nash reviewed the Targeted Improvement Plan (TIP), which was shared with the community a few weeks ago during the town hall meeting. She also, reviewed the campus goals which include the uses of NWEA data. She opened the floor to any questions, no one asked questions.

Meeting ended at 6:00pm.
