What is a School-Parent Compact?

Our annual school –parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

In an effort to build and develop a strong and responsible partnership that will help all students achieve the state's highest academic standards, the teachers, staff and administration of Looscan Elementary School dedicate themselves to the mission below.

Mission

"To create a positive and safe learning environment for students through strong leadership and excellence in instruction that ignites a passion for learning in our students."

Joint Partnerships

The parents and staff worked together and shared ideas to create the school parent compact. A parental Advisory Committee or PAC and the Title I coordinator will meet each year to review and revise the compact based on the school's academic goals and student needs.

The PAC, in behalf of all our parent partners have pledged to commit to the following:

1. Assure that my child attends school and is on time each day unless he/she is ill.
2. Communicate to my child that I expect him/her to be self disciplined and to give others the same respect he/she expects from them.
3. Ask my child if he/she has homework each day and review it with him/her when it is completed.
4. Read with or to my child each day for at least 30 minutes.
5. Visit my child's school to confer with teachers and administrators as needed.
