3. Submit any suggestions for new school names with a brief rationale of the suggestion to newnamemontessori@gmail.com by 5 p.m. on Friday, February 19th, 2021.

If the school is renamed, the committee feels strongly that it does not want to erase the history and legacy of "Wilson Montessori School." Instead, the committee plans to solicit and display memories and paraphernalia of the school, as well as put up plaques with a history of the school, including why it was renamed. When that process begins, committee members will reach out to the community for suggestions and materials.
