

Re-Naming Committee Minutes

January 28, 2021

New Business
Committee members shared any additional names gathered since last meeting. Pre-Work and Planning: Each committee member shared research for names on existing list. Committee discussed each name presented so far and determined if it was aligned to committee positioning statement or not. Mr. Eckelkamp (as committee secretary) hid cells on the Microsoft Excel spreadsheet for any names that the committee determined did not align to the positioning statement.
Old Business
Update-All committee member roles are filled according to Board policy. Principal Salvador has asked committee members to reach out to additional alum, additional parent, and additional civic leader to serve on committee.
Next Steps
Committee members bring research of names just added to suggested names list to next meeting or additional names gathered. Next Meeting: February 4th @ 5:15 p.m.
