 - As part of our SIP, Cook has an award-winning program that offers general fine arts classes for all prekindergarten-5th grade students. For students needing advanced lessons, we offer magnet classes for 3rd-5th grade in Advanced Dance, Robotics, Advanced Art and Theatre. Students in the magnet program participate in Fine Arts exhibitions, showcases, performances, and events. Felix Cook Elementary Fine Arts Magnet is the only elementary school in HISD to have professional gallery exhibitions at off-campus venues.
 - Our current enrollment is 506 students
 - 56 % of our population is African American
 - 40 % our population is Hispanic
 - 4% of our population is Caucasian.
 - We offer intensive HB454 intervention between 2:00-2:40 pm.
 - The resources we use from intervention Focused Reading, BBR, Zearn, Saxon Phonics, and MyOn.
 - We are always looking for new methods and strategies to enhance the learning of our students through technology. After Spring Break, on Wednesday we will do Technology Wednesday so students will get accumulated to STAAR 2.0.
- **After-school tutorials-** Every Tuesday and Thursday till Spring Break and will resume after subject interims.
