Minutes

Action Plan Review

Ms. Rawson reviewed the minutes. She responded to questions about training staff. Ms. Rawson talked about Staff Development days this year, IB Planning. We will use data such a MAP and Interim assessments to monitor instruction. IB makes learning relevant and meaningful.

Partnership with WITS (afterschool club)

We discussed ways we can work with WITS. The MOU was approved by HISD The sign up will go out soon.

Interim Scores

Our test scores were very good. Better than HISD and the ESC. We will use this data to drive instruction. The interventionists will meet with students and review the information.

West Wing Support

Maggie and Amber discussed the progress on the West Wing project. The project will be completed over winter break, except the planting. Since we will have a hard winter, we will wait to plant materials.
